Compliance with the Requirements of Section 1129 of the Bankruptcy Code

K. Plan Compliance with Bankruptcy Code – 11 U.S.C. § 1129(a)(1). The Plan complies with all applicable provisions of the Bankruptcy Code, thereby satisfying section 1129(a)(1) of the Bankruptcy Code.

1. Proper Classification – 11 U.S.C. §§ 1122, 1123(a)(1). In addition to Administrative Expense Claims, Fee Claims, Priority Tax Claims, and DIP Claims, which need not be classified, the Plan designates the following Classes of Claims and Interests: Class 1 (Other Secured Claims), Class 2 (Priority Non-Tax Claims), Class 3 (FLFO Claims), Class 4 (FLTL Claims), Class 5 (SLTL Claims), Class 6A (Unsecured Trade Claims), Class 6B (General

Unsecured Claims), Class 7 (Intercompany Claims), Class 8 (Subordinated Securities Claims), Class 9 (Intercompany Interests), and Class 10 (Existing Equity Interests). The Claims and Interests placed in each Class are substantially similar to other Claims and Interests, as the case may be, in each such Class. Valid business, factual, and legal reasons exist for separately classifying the various Classes of Claims and Interests created under the Plan, and such classification does not unfairly discriminate between holders of Claims and Interests. Accordingly, the Plan satisfies sections 1122 and 1123(a)(1) of the Bankruptcy Code.

2. Specified Unimpaired Classes – 11 U.S.C. § 1123(a)(2). Section 3 of the Plan specifies that Class 2 (Priority Non-Tax Claims), Class 7 (Intercompany Claims), and Class 9 (Intercompany Interests) are unimpaired under the Plan, thereby satisfying section 1123(a)(2) of the Bankruptcy Code.

3. Specified Treatment of Impaired Classes – 11 U.S.C. § 1123(a)(3). Section 3 of the Plan designates Class 1 (Other Secured Claims), Class 3 (FLFO Claims), Class 4 (FLTL Claims), Class 5 (SLTL Claims), Class 6A (Unsecured Trade Claims), Class 6B (General Unsecured Claims), Class 8 (Subordinate Securities Claims), and Class 10 (Existing Equity Interests) as impaired, and Section 4 of the Plan specifies the treatment of Claims and Interests in such Classes, thereby satisfying section 1123(a)(3) of the Bankruptcy Code.

4. No Discrimination – 11 U.S.C. § 1123(a)(4). The Plan provides for the same treatment of each Claim or Interest in each respective Class or subclass unless the holder of a particular Claim or Interest has agreed to a less favorable treatment of its Claim or Interest, thereby satisfying section 1123(a)(4) of the Bankruptcy Code.

5. Implementation of Plan – 11 U.S.C. § 1123(a)(5). The Plan and the various documents and agreements referred to therein or set forth in the Plan Supplements and the exhibits

and schedules to the Plan provide adequate and proper means for the Plan's implementation (thereby satisfying section 1123(a)(5) of the Bankruptcy Code), including, without limitation: (i) the compromise and settlement of Claims, Interests, and controversies; (ii) the Credit Bid Transaction and Confirmation Outside Date; (iii) the Equity Rights Offerings; (iv) the New Equity Interests; (v) the NewCo Organizational Documents; (vi) the New Money Warrants, SLTL Warrants, and GUC Warrants; (vii) the Plan of Merger; (viii) the Single Share; (ix) the Plan Administrator; (x) the Plan funding; (xi) the Exit Facilities; (xii) the Apache Definitive Documents; (xiii) the abandonment of certain properties; (xiv) the establishment of claims reserves; (xv) the Plan Administrator Expense Reserve; (xvi) the Debtors' continued corporate existence (unless otherwise specified in the Plan); (xvii) corporate action; (xviii) the cancellation of existing securities and agreements of the Debtors; (xix) the cancellation of certain existing security interests in the Debtors; (xx) the Intercompany Interests and corporate reorganization; (xxi) the Restructuring Transactions; (xxii) securities exemptions; (xxiii) the closing of the Chapter 11 Cases; (xxiv) provisions governing distributions under the Plan; (xxv) procedures for Disputed Claims; (xxvi) the Debtors' Releases; (xxvii) the Third-Party Releases; (xxviii) the CUSA-Party Release; and (xxix) the CUSA Release-Party Release.

6. Nonvoting Equity Securities – 11 U.S.C. § 1123(a)(6). The certificate of incorporation, articles of incorporation, limited liability company agreement, operating agreement, or similar governing document, as applicable, of each Debtor have been or shall be amended on or prior to the Effective Date to prohibit the issuance of non-voting equity securities to the extent prohibited by section 1123(a)(6) of the Bankruptcy Code, thereby satisfying section 1123(a)(6) of the Bankruptcy Code.

7. Selection of Officers, Directors, or Trustees – 11 U.S.C. § 1123(a)(7). The Plan Supplements and Section 5.9 of the Plan contain provisions with respect to the selection of directors and officers of the Post-Effective Date Debtors that are consistent with the interests of creditors, equity security holders, and public policy, thereby satisfying section 1123(a)(7) of the Bankruptcy Code.

8. Impairment/Unimpairment of Classes of Claims and Equity Interests – 11 U.S.C. § 1123(b)(1). As contemplated by section 1123(b)(1) of the Bankruptcy Code, Class 1 (Other Secured Claims), Class 3 (FLFO Claims), Class 4 (FLTL Claims), Class 5 (SLTL Claims), Class 6A (Unsecured Trade Claims), Class 6B (General Unsecured Claims), Class 8 (Subordinated Securities Claims), and Class 10 (Existing Equity Interests) are impaired under the Plan. Class 2 (Priority Non-Tax Claims), Class 7 (Intercompany Claims) and Class 9 (Intercompany Interests) are unimpaired under the Plan.

9. Assumption and Rejection of Executory Contracts and Unexpired Leases – 11 U.S.C. § 1123(b)(2). Article VIII of the Plan governing the assumption and rejection of executory contracts and unexpired leases satisfies the requirements of section 365(b) of the Bankruptcy Code and is appropriate under section 1123(b)(2) of the Bankruptcy Code.

10. Settlement of Claims and Causes of Action – 11 U.S.C. § 1123(b)(3).

(i) *Global Settlement and Compromise.* The Plan, including Section 5.1 thereof, incorporates a global settlement and compromise of certain Debtor-creditor and inter-creditor issues (the “**Plan Settlement**”), among the Debtors, the Consenting Creditors and the Creditors’ Committee of claims, Causes of Action and controversies among such parties, including all potential claims, Causes of Action and controversies related to the Challenge Period (as defined in the DIP Order and as modified with respect to the Creditors’ Committee pursuant to certain

stipulations filed with the Bankruptcy Court) and any Challenge under the DIP Order, and are in consideration of the value provided to the Estates by the Consenting Creditors, including the value being provided to holders of Unsecured Trade Claims and General Unsecured Claims pursuant to Sections 4.6 and 4.7 of the Plan. The Plan is deemed to constitute a motion under section 1123(b)(3) of the Bankruptcy Code and Bankruptcy Rule 9019, seeking approval of the Plan Settlement. Entry of this Order constitutes the Bankruptcy Court's approval of the terms of the Plan Settlement that are set forth in the Plan. The settlements and compromises of claims and potential causes of action among the Debtors, the Consenting Creditors and the Creditors' Committee, all as more fully set forth in the Plan and the Disclosure Statement, are integral to the Plan, are reasonable in their terms, are in the best interests of the Debtors' estates and their creditors, and satisfy the standards for approval under Bankruptcy Rule 9019 and sections 1123(b)(3) and 1123(b)(6) of the Bankruptcy Code. For the avoidance of doubt, nothing in this Order shall require the Creditors' Committee to take or refrain from taking any action that it determines in good faith would be inconsistent with its fiduciary duties under applicable law. Notwithstanding the foregoing, the Creditors' Committee acknowledges that its entry into the Plan Settlement and its support for this Plan is consistent with its fiduciary duties.

(ii) *Retained Causes of Action.* In accordance and compliance with section 1123(b)(3)(B) of the Bankruptcy Code, certain Causes of Action of the Debtors are retained under the Plan, as more fully set forth in Section 10.11 of the Plan and **Exhibit C** of the Plan Supplements.

(iii) *Representative of Estates.* On and after the Effective Date, the Plan Administrator shall have the rights and powers of a debtor in possession under section 1107 of the Bankruptcy Code, shall be a "representative of the estate" with respect to the Debtors' Estates

pursuant to section 1123(b)(3) of the Bankruptcy Code, shall be vested with the rights, powers, and benefits afforded to a “trustee” under sections 704 and 1106 of the Bankruptcy Code, and shall have such other rights, powers, and duties incidental to causing performance of the obligations under the Plan or otherwise as may be reasonably necessary; *provided, however*, the Plan Administrator shall have no rights, powers, or duties that are inconsistent with or contrary to the Plan or this Order.

11. Modification of Rights – 11 U.S.C. § 1123(b)(5). In accordance and in compliance with section 1123(b)(5) of the Bankruptcy Code, the Plan properly modifies the rights of holders of Class 1 (Other Secured Claims), Class 3 (FLFO Claims), Class 4 (FLTL Claims), Class 5 (SLTL Claims), Class 6A (Unsecured Trade Claims), Class 6B (General Unsecured Claims), Class 8 (Subordinated Securities Claims), and Class 10 (Existing Equity Interests). The Plan also leaves unaffected the rights of holders of Claims in Class 2 (Priority Non-Tax Claims), Class 7 (Intercompany Claims) and Class 9 (Intercompany Interests).

12. Additional Plan Provisions – 11 U.S.C. § 1123(b)(6). The provisions of the Plan are appropriate and not inconsistent with the applicable provisions of the Bankruptcy Code, thereby satisfying section 1123(b) of the Bankruptcy Code. The failure to specifically address a provision of the Bankruptcy Code in this Order shall not diminish or impair the effectiveness of this Order.

13. Debtors Are Not Individuals – 11 U.S.C. § 1123(c). The Debtors are not individuals and, accordingly, section 1123(c) of the Bankruptcy Code is inapplicable to these Chapter 11 Cases.

14. Cure of Defaults – 11 U.S.C. § 1123(d). Section 8.2 of the Plan provides for the satisfaction of default claims associated with each executory contract and unexpired lease

to be assumed pursuant to the Plan in accordance with section 365(b)(1) of the Bankruptcy Code. All Cure Amounts will be determined in accordance with the underlying agreements and applicable bankruptcy and non-bankruptcy law. Thus, the Plan complies with section 1123(d) of the Bankruptcy Code.

L. Debtors' Compliance with Bankruptcy Code – 11 U.S.C. § 1129(a)(2). The Debtors have complied with the applicable provisions of the Bankruptcy Code, thereby satisfying section 1129(a)(2) of the Bankruptcy Code. Specifically:

- (i) The Debtors are proper debtors under section 109 of the Bankruptcy Code;
- (ii) The Debtors have complied with applicable provisions of the Bankruptcy Code, except as otherwise provided or permitted by orders of this Bankruptcy Court; and
- (iii) The Debtors have complied with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and the Disclosure Statement Order in transmitting the Disclosure Statement, the Plan, the Ballots, the Solicitation Packages, and related documents and notices and in soliciting and tabulating votes on the Plan.

M. Plan Proposed in Good Faith – 11 U.S.C. § 1129(a)(3). The Debtors have proposed the Plan (and all other agreements, documents, and instruments necessary to effectuate the Plan) in good faith and not by any means forbidden by law, thereby satisfying section 1129(a)(3) of the Bankruptcy Code. The Debtors' good faith is evident from the facts and record of these Chapter 11 Cases, the Disclosure Statement and the hearings thereon, and the record of the Confirmation Hearing and other proceedings held in these Chapter 11 Cases. This Order, the Plan, the Plan Supplement, including, the Credit Bid Purchase Agreement, the Apache Implementation Agreement, the Plan of Merger, the FWE I LLC Agreement, the GUC Warrant Agreement, the New Money Warrant Agreement, the SLTL Tranche 1 Warrant Agreement, the SLTL Tranche 2

Warrant Agreement, the NewCo Organizational Documents, the Exit Facility Documents, the Restructuring Support Agreement, the Chevron Implementation Agreement, and other agreements and documents contemplated thereby (collectively, as may be amended in compliance with this Order, the foregoing are referred to as the “**Plan Documents**”) are based upon extensive, arms’ length negotiations between and among representatives of the Debtors, the Prepetition FLTL Lenders, the Prepetition FLFO Secured Parties, the Prepetition SLTL Lenders, the DIP Lenders, Apache, CUSA Entities, and the Creditors’ Committee, and represents the culmination of months of intensive negotiations and discussions among the foregoing parties in interest. The Plan was proposed with the legitimate and honest purpose of maximizing the value of the Debtors’ Estates. Further, the Plan’s classification, indemnification, exculpation, release, settlement, and injunction provisions, including, without limitation, Section 3.3 and Article X of the Plan, have been negotiated in good faith and at arms’ length, consistent with sections 105, 1123(b)(3)(A), 1123(b)(6), 1129, and 1142 of the Bankruptcy Code.

N. Payments for Services or Costs and Expenses – 11 U.S.C. § 1129(a)(4). Any payment made or to be made by any of the Debtors for services or for costs and expenses incurred prior to the Effective Date in connection with the Chapter 11 Cases, or in connection with the Plan and incidental to the Chapter 11 Cases has been approved by, or is subject to the approval of, the Bankruptcy Court as reasonable, thereby satisfying section 1129(a)(4) of the Bankruptcy Code.

O. Directors, Officers and Insiders – 11 U.S.C. § 1129(a)(5). The officers and directors of the Debtors shall be relieved of any and all duties with respect to the Debtors as of the Effective Date of the Plan. Upon and following the Effective Date, the Plan Administrator shall serve as the sole officer, director, or manager of each Post-Effective Date Debtor, other than FW GOM Pipeline, Inc. and GOM Shelf LLC (the “**Post-Effective Date FWE I Subsidiaries**”). Upon

and following the Effective Date, Jon Graham shall serve as the sole officer, director, or manager of each Post-Effective Date FWE I Subsidiary. The identity and affiliations of the person proposed to serve as the initial director and officer of the Post-Effective Date Debtors after confirmation of the Plan has been fully disclosed to the extent such information is available, and the appointment to, or continuance in, such office of such person is consistent with the interests of holders of Claims against and Interests in the Post-Effective Date Debtors and with public policy. The Debtors have complied with section 1129(a)(5) of the Bankruptcy Code.

P. No Rate Changes – 11 U.S.C. § 1129(a)(6). The Plan does not provide for rate changes by any of the Post-Effective Date Debtors. Thus, section 1129(a)(6) of the Bankruptcy Code is not applicable in the Chapter 11 Cases.

Q. Best Interests of Creditors – 11 U.S.C. § 1129(a)(7). The Plan satisfies section 1129(a)(7) of the Bankruptcy Code. The Disclosure Statement, the Plan Supplements, the Hanson Declaration, the Brown Declaration, the Voting Declaration, and the other evidence proffered or adduced at the Confirmation Hearing (i) are persuasive and credible, (ii) have not been controverted by other evidence, and (iii) establish that each holder of an impaired Claim or Interest either has accepted the Plan or will receive or retain under the Plan, on account of such Claim or Interest, property of a value, as of the Effective Date, that is not less than the amount such holder would receive or retain if the Debtors were liquidated under chapter 7 of the Bankruptcy Code on such date.

R. Acceptance by Certain Classes – 11 U.S.C. § 1129(a)(8). Class 2 (Priority Non-Tax Claims), Class 7 (Intercompany Claims) and Class 9 (Intercompany Interests) are unimpaired under the Plan and are deemed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code. Classes 3, 4, 5, and 6A have voted to accept the Plan in accordance with

sections 1126(c) and (d) of the Bankruptcy Code. Holders of Interests in Class 8 (Subordinated Securities Claims) and Class 10 (Existing Equity Securities) are not entitled to receive or retain any property under the Plan and, therefore, are deemed to have rejected the Plan pursuant to section 1126(g) of the Bankruptcy Code.

S. Treatment of Administrative Expenses, Priority Tax Claims and Other Priority Claims – 11 U.S.C. § 1129(a)(9). The treatment of Administrative Expense Claims, Fee Claims, DIP Claims, and Priority Tax Claims pursuant to Sections 2.1, 2.2, 2.3, and 2.5 of the Plan, respectively, satisfies the requirements of sections 1129(a)(9)(A), (C), and (D) of the Bankruptcy Code, as applicable. The treatment of Priority Non-Tax Claims pursuant to Section 4.2 of the Plan satisfies the requirements of section 1129(a)(9)(B) of the Bankruptcy Code. On the Effective Date, the Debtors or the Post-Effective Date Debtors, as applicable, will have sufficient Cash to pay Allowed Administrative Expense Claims that are not being assumed by the Credit Bid Purchaser pursuant to the Credit Bid Purchase Agreement, Fee Claims, DIP Claims, Priority Tax Claims, and Allowed Priority Non-Tax Claims.

T. Acceptance by Impaired Classes – 11 U.S.C. § 1129(a)(10). Class 3 (FLFO Claims), Class 4 (FLTL Claims), Class 5 (SLTL Claims), and Class 6A (Unsecured Trade Claims) of each of the Debtors voted to accept the Plan by the requisite majorities, determined without including any acceptance of the Plan by any insider, thereby satisfying the requirements of section 1129(a)(10) of the Bankruptcy Code.

U. 11 U.S.C. § 1129(a)(11). The Disclosure Statement, the Plan Supplements, the Hanson Declaration, and the Brown Declaration, and the other evidence proffered or adduced at the Confirmation Hearing (i) are persuasive and credible, (ii) have not been controverted by other evidence, and (iii) establish that confirmation of the Plan is not likely to be followed by the

liquidation or the need for further financial reorganization, thereby satisfying the requirements of section 1129(a)(11) of the Bankruptcy Code.

V. Payment of Statutory Fees – 11 U.S.C. § 1129(a)(12). Pursuant to Section 12.1 of the Plan, all fees payable under sections 1911 through 1930 of chapter 123 of title 28 of the United States Code will be paid on the Effective Date, and thereafter as may be required. Thus, the Plan satisfies the requirements of section 1129(a)(12) of the Bankruptcy Code.

W. Benefit Plans – 11 U.S.C. § 1129(a)(13). The Debtors have no obligation to pay retiree benefits therefore section 1129(a)(13) of the Bankruptcy Code does not apply.

X. Domestic Support Obligations – 11 U.S.C. § 1129(a)(14). The Debtors are not required by a judicial or administrative order, or by statute, to pay any domestic support obligations, and therefore, section 1129(a)(14) of the Bankruptcy Code is inapplicable in these Chapter 11 Cases.

Y. The Debtors Are Not Individuals – 11 U.S.C. § 1129(a)(15). The Debtors are not individuals, and therefore, section 1129(a)(15) of the Bankruptcy Code is inapplicable in these Chapter 11 Cases.

Z. No Applicable Nonbankruptcy Law Regarding Transfers – 11 U.S.C. § 1129(a)(16). Each of the Debtors that is a corporation is a moneyed, business, or commercial corporation or trust, and therefore, section 1129(a)(16) of the Bankruptcy Code is inapplicable in these Chapter 11 Cases.

AA. Fair and Equitable; No Unfair Discrimination – 11 U.S.C. § 1129(b). Holders of Interests in Class 8 (Subordinated Securities Claims) and Class 10 (Existing Equity Interests) are deemed to reject the Plan. Class 1 (Other Secured Claims) and Class 6B (General Unsecured Claims) are impaired and voted to reject the Plan. However, the Plan does not discriminate unfairly

and is fair and equitable with respect to Class 8 (Subordinated Securities Claims) and Class 10 (Existing Equity Interests) as required by sections 1129(b)(2)(C)(i) and 1129(b)(2)(C)(ii) of the Bankruptcy Code. The Plan does not discriminate and is fair and equitable with respect to Class 6B (General Unsecured Claims) as required by section 1129(b)(2)(B)(ii). The Plan does not discriminate and is fair and equitable with respect to Class 1 (Other Secured Claims) as required by section 1129(b)(2)(A). Thus, the Plan may be confirmed notwithstanding the Debtors' failure to satisfy section 1129(a)(8) of the Bankruptcy Code. Upon confirmation of the Plan and the occurrence of the Effective Date, the Plan shall be binding on the members of Class 1 (Other Secured Claims), Class 6B (General Unsecured Claims), Class 8 (Subordinated Securities Claims), and Class 10 (Existing Equity Interests).

BB. Only One Plan – 11 U.S.C. § 1129(c). Because the Plan is the only chapter 11 plan filed in the Chapter 11 Cases, the Plan satisfies section 1129(c) of the Bankruptcy Code.

CC. Principal Purpose of the Plan – 11 U.S.C. § 1129(d). Because the principal purpose of the Plan is not the avoidance of taxes or the avoidance of the application of Section 5 of the Securities Act of 1933, the Plan satisfies section 1129(d) of the Bankruptcy Code.

DD. Small Business Case – 11 U.S.C. § 1129(e). None of these Chapter 11 Cases are a “small business case,” as that term is defined in the Bankruptcy Code, and, accordingly, section 1129(e) of the Bankruptcy Code is inapplicable.

EE. Good Faith Solicitation – 11 U.S.C. § 1125(e). Based on the record before the Bankruptcy Court in the Chapter 11 Cases, including evidence presented at the Confirmation Hearing, the Debtors and their directors, officers, employees, members, agents, advisors, and professionals have acted in “good faith” within the meaning of section 1125(e) of the Bankruptcy Code in compliance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules,

the Local Rules, and the Disclosure Statement Order in connection with all their respective activities relating to the solicitation of acceptances or rejections of the Plan and their participation in the activities described in section 1125 of the Bankruptcy Code, and are entitled to the protections afforded by section 1125(e) of the Bankruptcy Code and the exculpation provisions set forth in Section 10.8 of the Plan.

Findings Relating to the Credit Bid Transaction

FF. Good Faith; No Collusion. The Credit Bid Purchase Agreement was proposed, negotiated by the Debtors party thereto, the Credit Bid Purchaser and Buyer 2 (as defined in the Credit Bid Purchase Agreement) (the Credit Bid Purchaser and Buyer 2 collectively, the “**Credit Bid Purchasers**”) without collusion, in good faith, and from arm’s-length bargaining positions. Neither the Credit Bid Purchaser nor any other NewCo Entity is an “insider” or “affiliate” of the Debtors, as those terms are defined in the Bankruptcy Code, and no common identity of incorporators, directors, or controlling stockholders existed between the (a) Debtors and (b) the Credit Bid Purchasers or any other NewCo Entity. The Credit Bid Purchasers recognized that the Debtors were free to deal with any other party interested in acquiring the Credit Bid Acquired Interests, as described Section 3(C) of the Disclosure Statement. Neither the Debtors nor the Credit Bid Purchasers engaged in any conduct that would cause or permit the Credit Bid Purchase Agreement, any documents related thereto, or the consummation of the Credit Bid Transaction to be avoided, or costs or damages to be imposed, under Bankruptcy Code section 363(n) or under any other law of the United States, any state, territory, possession thereof, the District of Columbia, or any other applicable law. As a result of the foregoing, the Credit Bid Purchasers are entitled to the protections of section 363(m) of Bankruptcy Code, including in the event this Order or any portion thereof is reversed or modified on appeal, and otherwise has proceeded in good faith in all respects in connection with these cases. The Debtors’ marketing process with respect to the Credit

Bid Transaction afforded a full, fair, and reasonable opportunity for any person or entity to make a higher or otherwise better offer. No other person or entity or group of entities has offered to purchase the assets for greater overall value to the Debtors' Estates than the Credit Bid Purchaser. The Credit Bid Purchase Agreement constitutes the highest and best offer, and will provide a greater recovery for the Debtors' Estates than would be provided by any other available alternative.

GG. Authority. The Debtors have: (i) full power and authority to execute and assume the Credit Bid Purchase Agreement and all other documents contemplated thereby and (ii) all of the power and authority necessary to consummate the transactions contemplated by the Credit Bid Purchase Agreement subject to the terms of this Order. No consents or approvals, other than those already obtained or expressly provided for in the Credit Bid Purchase Agreement or this Order, are required for the Debtors to consummate the Credit Bid Transaction.

HH. Title to Purchased Assets. The Credit Bid Acquired Interests sought to be transferred and/or assigned, as applicable, by the Debtors to the Credit Bid Purchasers pursuant to the Credit Bid Purchase Agreement are property of the Debtors' Estates and good title thereto is presently vested in the Debtors' Estates within the meaning of section 541(a) of the Bankruptcy Code. Except as provided in the Credit Bid Purchase Agreement, the Debtors are the sole and rightful owners of the Credit Bid Acquired Interests with all rights, title and interests to the Credit Bid Acquired Interests, and no other person has any ownership right, title, or interest therein other than any security interests therein which secure the Debtors' obligations to the DIP Secured Parties or the Prepetition Secured Parties (each as defined in the DIP Order), as applicable.

II. Adequate Marketing; Highest or Best Offer. The Debtors' marketing process with respect to the Credit Bid Transaction afforded a full, fair, and reasonable opportunity for any person or entity to make a higher or otherwise better offer. The Debtors' marketing process

allowed the Debtors to consider actionable proposals, if any, from third-parties for transactions that would provide consideration to the Debtors' Estates in an amount that exceeds the Credit Bid Amount plus the value of any other consideration provided by the Credit Bid Purchaser to the Debtors pursuant to the Credit Bid Purchase Agreement and the Plan. The Debtors considered such proposals pursuant to certain procedures as provided for in the Disclosure Statement Motion (as defined in the Disclosure Statement), up through February 26, 2021, the Bid Deadline. Moreover, the procedures provided, among other things, that in evaluating whether any third-party bids qualify as a Qualified Bid (as defined in the Disclosure Statement Motion), the Debtors may consider several factors including, but not limited to, (i) the amount and form of consideration of the purchase price, (ii) the assets included in or excluded from the bid, (iii) the value to be provided to the Debtors and their Estates, (iv) the transaction structure and execution risk, and (v) the impact on all key stakeholders. The Debtors did not receive any Qualified Bids by the Bid Deadline and no other person or entity or group of entities has offered to purchase the assets for greater overall value to the Debtors' Estates than the Credit Bid Purchasers. The Credit Bid Purchase Agreement constitutes the highest and best offer, and will provide a greater recovery for the Debtors' Estates than would be provided by any other available alternative. The Debtors' determination that the Credit Bid Purchase Agreement constitutes the highest and best offer constitutes a valid and sound exercise of the Debtors' business judgment. Approval of the Credit Bid Transaction and the consummation of the Credit Bid Transaction is in the best interests of the Debtors' Estates, their creditors, and other parties in interest. The consideration provided by the Credit Bid Purchasers pursuant to the Credit Bid Purchase Agreement (a) is fair and reasonable, (b) is the highest or best offer for the Credit Bid Acquired Interests, and (c) constitutes reasonably equivalent value (as those terms are defined in each of the Uniform Voidable Transfer Act, Uniform Fraudulent

Transfer Act, Uniform Fraudulent Conveyance Act, and section 548 of the Bankruptcy Code) and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, or the District of Columbia.

JJ. NewCo and its Subsidiaries Not Successors. Upon the Credit Bid Transaction Closing, neither NewCo nor any of its subsidiaries (including the Credit Bid Purchasers) will be deemed to: (a) be the successor of (other than for purposes of section 1145 of the Bankruptcy Code), or related person, successor in interest or successor employer (as described under any applicable law) to, any Debtor, any Estate, FWE I, FWE III, FWE IV, or any of the Debtors' affiliates, predecessors, successors or assigns including, with respect to any Employee Plans (as defined in the Credit Bid Purchase Agreement), other than the Assumed Employee Plans (as defined in the Credit Bid Purchase Agreement) to the extent set forth in Section 6.8 of the Credit Bid Purchase Agreement; (b) have, de facto or otherwise, merged into any Debtor, any Estate, FWE I, FWE III, FWE IV, or any of the Debtors' affiliates, predecessors, successors or assigns; (c) be a mere continuation or substantial continuation of any Debtor, any Estate, FWE I, FWE III, FWE IV, or any of the Debtors' affiliates, predecessors, successors or assigns or the enterprise(s) of any Debtor, any Estate, FWE I, FWE III, FWE IV, or any of the Debtors' affiliates, predecessors, successors or assigns; and (d) other than as expressly set forth in the Credit Bid Purchase Agreement, be liable for any acts or omissions of any Debtor, any Estate, FWE I, FWE III, FWE IV or any of the Debtors' affiliates, predecessors, successors or assigns, in the current or former conduct of the business of the Debtors relating to the Credit Bid Acquired Interests or arising under or related to the Credit Bid Acquired Interests. None of the NewCo Entities are an alter ego of any Debtor, any Estate, FWE I, FWE III, FWE IV or any of the Debtors' affiliates, predecessors, successors or assigns, or are holding themselves out to the public as a successor to

or a continuation of any Debtor, any Estate, FWE I, FWE III, FWE IV or any of the Debtors' affiliates, predecessors, successors or assigns. The issuance, sale, and/or transfer of the New Equity Interests (as applicable), the New Money Warrants, the GUC Warrants or the SLTL Warrants does not amount to a consolidation, succession, merger, or de facto merger of (a) any NewCo Entity and any of (b) the Debtors, the Post-Effective Date Debtors, any Estate, FWE I, FWE III, FWE IV, or any of the Debtors' affiliates, predecessors, successors or assigns.

KK. Necessity of Order. The Credit Bid Purchasers have agreed to the Credit Bid Transaction in material reliance on and with fair consideration provided for the Credit Bid Transaction being free and clear of all claims and interests relating to the Debtors arising prior to the closing of the Credit Bid Transaction, except as expressly provided under the Credit Bid Purchase Agreement and except for (i) any and all Liens securing the FLFO Claims or the obligations under the First Lien Exit Facility that attach to the Credit Bid Acquired Interests that are retained and deemed assigned to the First Lien Exit Facility Agent upon the Effective Date to secure the obligations under the First Lien Exit Facility and (ii) all Liens securing the FLTL Claims that attach to the Credit Bid Acquired Interests and are deemed assigned to the Second Lien Exit Facility Agent upon the Effective Date to secure the obligations under the Second Lien Exit Facility, including any successor or vicarious liabilities of any kind or nature, as set forth herein and in the Credit Bid Purchase Agreement, and would not agree to the Credit Bid Purchase Agreement or the Credit Bid Transaction without all of the relief provided for in this Order such terms and the findings herein.

LL. Satisfaction of Sections 363(f) and 1141(c). The conditions of section 363(f) of the Bankruptcy Code have been satisfied in full; therefore, the Debtors may sell assets and property pursuant to the Credit Bid Purchase Agreement free and clear of any claims, liens, encumbrances,

or other interests of any kind or nature whatsoever other than as expressly provided under the Credit Bid Purchase Agreement, the Plan, or this Order. In addition to and without limiting the foregoing, the proposed Credit Bid Transaction is to be consummated under the Plan, and the assets and property to be sold pursuant to the Credit Bid Transaction are dealt with by the Plan and this Order; therefore, except as expressly provided under the Credit Bid Purchase Agreement and except for (i) any and all Liens securing the FLFO Claims or the obligations under the First Lien Exit Facility that attach to the Credit Bid Acquired Interests that are retained and deemed assigned to the First Lien Exit Facility Agent upon the Effective Date to secure the obligations under the First Lien Exit Facility and (ii) all Liens securing the FLTL Claims that attach to the Credit Bid Acquired Interests and are deemed assigned to the Second Lien Exit Facility Agent upon the Effective Date to secure the obligations under the Second Lien Exit Facility, the Debtors may sell assets and property pursuant to the Credit Bid Purchase Agreement free and clear of any claims, liens, encumbrances, or other interests of any kind or nature whatsoever pursuant to section 1141(c) of the Bankruptcy Code.

MM. Free and Clear. The Debtors may sell the Credit Bid Acquired Interests free and clear of all liens, claims (including those that constitute a “claim” as defined in section 101(5) of the Bankruptcy Code), rights, liabilities, mortgages, deeds of trust, pledges, charges, security interests, of whatever kind or nature, rights of first refusal, rights of offset or recoupment, royalties, conditional sales or title retention agreements, hypothecations, preferences, debts, easements, suits, licenses, options, rights of recovery, judgments, orders and decrees of any court or foreign domestic governmental entity, taxes (including foreign, state and local taxes), covenants, restrictions, indentures, instruments, leases, options, off-sets, recoupments, claims for reimbursement or subrogation, contribution, indemnity or exoneration, encumbrances and other

interests of any kind or nature whatsoever other than as expressly provided under the Credit Bid Purchase Agreement and except for (i) any and all Liens securing the FLFO Claims or the obligations under the First Lien Exit Facility that attach to the Credit Bid Acquired Interests that are retained and deemed assigned to the First Lien Exit Facility Agent upon the Effective Date to secure the obligations under the First Lien Exit Facility and (ii) all Liens securing the FLTL Claims that attach to the Credit Bid Acquired Interests and are deemed assigned to the Second Lien Exit Facility Agent upon the Effective Date to secure the obligations under the Second Lien Exit Facility, because, in each case, one or more of the standards set forth in sections 363(f)(1)–(5), 1129(b)(2)(A)(ii), 1141(a), or 1141(c) of the Bankruptcy Code has been satisfied. All holders of such claims, liens, encumbrances, or other interests against the Debtors, their Estates, or any of the assets subject to the Credit Bid Transaction (a) who did not object, or who withdrew their objections, to the Credit Bid Transaction are deemed to have consented pursuant to section 363(f)(2) of the Bankruptcy Code and (b) are bound by this Order or the Plan pursuant to section 1141(a) of the Bankruptcy Code. All holders of such claims, liens, encumbrances, or other interests are adequately protected by having their claims, liens, encumbrances, or other interests, if any, in each instance against the Debtors, their Estates, or any of the assets subject to the Credit Bid Transaction, attach to the net cash proceeds of the Credit Bid Transaction ultimately attributable to the assets in which such creditor alleges a claim, lien, encumbrance, or other interest, in the same order of priority, with the same validity, force, and effect that such claim, lien, encumbrance, or other interest had prior to consummation of the Credit Bid Transaction, subject to any claims and defenses the Debtors and their Estates may possess with respect thereto, and with such claims, liens, encumbrances, or other interests being treated in accordance with the Plan. The Claims Reserve Amount set aside from the net cash proceeds of the Credit Bid Transaction for purposes

of funding the Claims Reserve, the Plan Administrator Expense Reserve amount for funding the Plan Administrator expense reserve, and funding the Decommissioning Account (as defined in the Funding Agreement, annexed to the Credit Bid Purchase Agreement) shall be funded free and clear of all liens, claims and encumbrances or other interests unless expressly provided in the Plan Documents.

NN. Modifications. Following execution, the Credit Bid Purchase Agreement and related agreements, documents or other instruments executed in connection therewith, may be modified, amended or supplemented by the parties thereto, in a writing signed by each party, and in accordance with the terms thereof, without further order of the Bankruptcy Court; *provided*, that any such modification, amendment or supplement does not materially change the economic substance of the Credit Bid Transaction.

Findings Relating to Plan of Merger

OO. Plan of Merger. The Plan of Merger Agreement satisfies the requirement of a plan of merger pursuant to sections 10.002 and 10.003 of the Texas Business Organizations Code (the “TBOC”) and when executed will have been duly approved as required for purposes of sections 10.001, 10.002 and 10.302 of the TBOC and binding on FWE. FWE III will be a “surviving domestic entity” as used in section 10.008 of the TBOC.

PP. On the Effective Date, but after the consummation of the transactions contemplated by the Credit Bid Purchase Agreement, pursuant to sections 1123, 1141(b) and 1141(c) of the Bankruptcy Code, in accordance with the Plan of Merger, (i) all FWE Assets will be allocated to and vest in FWE I, FWE III, and any FWE Additional Entity pursuant to the terms of the applicable Plan of Merger, in each case, free and clear of all Liens, Claims, charges, Interests, or other encumbrances, including the Plan of Merger Consent Rights and Plan of Merger Preferential Purchase Rights; and (ii) (x) the FWE I Obligations shall be allocated to and shall vest in, and shall

constitute liabilities and obligations of, FWE I, (y) the FWE III Obligations shall be allocated to and shall vest in, and shall constitute liabilities and obligations of, FWE III (subject to further allocation and vesting as provided in any Plan of Merger other than the Initial Plan of Merger), and (z) any obligations allocated to an FWE Additional Entity pursuant to the terms of the applicable Plan of Merger shall be allocated to and shall vest in, and shall constitute liabilities and obligations of, such applicable FWE Additional Entity.

QQ. FWE I and FWE IV not Successors to the Debtors. Neither FWE I nor FWE IV is a successor or mere continuation of the Debtors or their Estates by virtue of the allocation of the FWE I Assets and the FWE I Obligations, or the FWE IV Assets and FWE IV Obligations, respectively, and there is no continuity of enterprise or common identity between the FWE I, FWE IV, and the Debtors. Neither FWE I nor FWE IV is an alter ego of the Debtors. Neither FWE I nor FWE IV is holding itself out to the public as a successor to or a continuation of the Debtors or their Estates.

RR. No Continuity of Enterprise or Common Identity. There is no continuity of enterprise or common identity between any of FWE I, FWE III, FWE IV or any NewCo Entity, and none of the foregoing entities are alter egos of another.

Other Findings

SS. Injunction, Exculpation, and Releases. The Plan is consistent with section 1123(b)(3) of the Bankruptcy Code. Section 10.7(a) of the Plan describes certain releases granted by the, Section 10.7(b) of the Plan provides for the release of the Released Parties by the Releasing Parties, Section 10.7(d) of the Plan provides for releases by the CUSA Parties of the CUSA Release Parties, Section 10.7(e) of the Plan provides for releases by the CUSA Release Parties of the CUSA Parties, Section 10.8 of the Plan provides for exculpation for the Exculpated Parties (the “**Exculpation**”), and Section 10.9 of the Plan provides for an injunction (the “**Injunction**”). The

Bankruptcy Court has jurisdiction under sections 1334(a) and 1334(b) of the Judicial Code and authority under section 105 of the Bankruptcy Code to approve each of the Debtor Releases, the Third-Party Release, the CUSA-Party Release, the CUSA Release-Party Release, the Exculpation, and the Injunction. As has been established based upon the evidence presented at the Confirmation Hearing, such provisions (a) were given in exchange for good, valuable, and adequate consideration after due notice and opportunity for hearing, (b) are appropriately tailored under the facts and circumstances of the Chapter 11 Cases, (c) were integral to the agreements among the various parties in interest and are essential to the formulation and implementation of the Plan, as provided in section 1123 of the Bankruptcy Code, (d) confer substantial benefits on the Estates, (e) are fair, equitable, and reasonable, (f) were negotiated in good faith and at arm's length, and (g) are in the best interests of the Debtors, the Estates, Holders of Claims and Interests, and all other parties in interest. Further, the failure to implement the Debtor Release, Third-Party Release, the CUSA-Party Release, the CUSA Release-Party Release, Exculpation, and Injunction would impair the Debtors' ability to confirm and implement the Plan.

TT. Good and valid justifications have been demonstrated in support of the Debtor Releases, and the Debtors have satisfied the business judgment standard with respect to the propriety of the Debtor Releases. The Debtor Releases represents a valid exercise of the Debtors' business judgment. Each of the Released Parties provided good and valuable consideration in exchange for the release. The pursuit by the Debtors of any claims against the Released Parties is not in the best interests of the Estates. The Debtor Releases are furthermore: (a) an essential means of implementing the Plan; (b) an integral and non-severable element of the Plan and the transactions incorporated therein (c) conferring a material benefit on, and in the best interests of, the Debtors, their Estates and their creditors; (d) important to the overall objectives of the Plan to

finally resolve all Claims among or against the parties in interest in the Chapter 11 Cases with respect to the Debtors; (e) fair, equitable, and reasonable and in exchange for good and valuable consideration; (f) a good-faith settlement and compromise of the Claims released by the Debtor Release; (g) given, and made, after due notice and opportunity for hearing; and (h) consistent with sections 105, 1123, 1129, 1141, and other applicable provisions of the Bankruptcy Code.

UU. The scope of the Debtor Releases is appropriately tailored under the facts and circumstances of the Chapter 11 Cases. In light of, among other things, the value provided by the Released Parties to the Debtors' Estates and the critical nature of the Debtor Releases to the Plan, the Debtor Releases are approved and authorized in their entirety.

VV. The Third-Party Release, the CUSA-Party Release, and the CUSA Release-Party Release are an essential provision of the Plan. Accordingly, for the reasons set forth herein and in the Confirmation Brief, the Third-Party Release, the CUSA-Party Release, and the CUSA Release-Party Release are (a) an essential means of implementing the Plan, (b) fair, equitable, and reasonable and in exchange for the good and valuable consideration provided by the Released Parties, (c) a good-faith settlement and compromise of the claims and Causes of Action released thereby, (d) materially beneficial to, and in the best interests of, the Debtors, their Estates, and their stakeholders, (e) fair, equitable, and reasonable, (f) given and made after due notice and opportunity for hearing, (g) consistent with sections 105, 524, 1123, 1129, and 1141 and other applicable provisions of the Bankruptcy Code, (h) an integral and non-severable element of the Plan and the transactions incorporated therein, (i) confer a material benefit on, and is in the best interests of, the Debtors, their Estates, and all Holders of Claims and Interests, (j) specific in language and scope, and (k) important to the overall objectives of the Plan to finally resolve all Claims among or against the parties in interest in the Chapter 11 Cases with respect to the Debtors.

WW. Like the Debtor Releases, the Third-Party Release, the CUSA-Party Release, and the CUSA-Release Party Release facilitated participation in the Plan and the Chapter 11 Cases, and are integral elements of the Plan. The scope of the Third-Party Release, the CUSA-Party Release, the CUSA-Release Party Release are appropriately tailored under the facts and circumstances of the Chapter 11 Cases. The Third-Party Release is consensual because all parties to be bound by the Third-Party Release either (i) voted to accept the Plan or (ii) affirmatively agreed to be a Releasing Party. All Holders of Claims were given due and adequate notice of the Third-Party Release and sufficient opportunity and instruction to vote to accept or reject the Plan; the Third-Party Release is therefore fair to the Releasing Parties, and is appropriate. Additionally, the release provisions of the Plan were conspicuous, emphasized with boldface type in the Plan, the Disclosure Statement, the Ballots, and the Non-Voting Status Notice (as defined in the Disclosure Statement Motion).

XX. The Exculpation is an essential provision of the Plan. The Exculpation is appropriate and authorized under sections 105, 1123(b)(3), and 1123(b)(6) of the Bankruptcy Code and other applicable law, including, without limitation, *In re Pacific Lumber Co.*, 584 F.3d 229 (5th Cir. 2009) and *In re Midlantic Nat'l Bank v. N.J. Dep't of Env'tl. Prot.*, 474 U.S. 494, 507 (1986), because it was proposed in good faith, was formulated following extensive good-faith, arm's-length negotiations with the Debtors and the Exculpated Parties, and was agreed upon in return for the Exculpated Parties providing benefits to the Debtors, and is appropriately narrow in scope and time. The Exculpation appropriately affords protection to those parties who constructively participated in and contributed to the Debtors' chapter 11 process and it is appropriately tailored to protect the Exculpated Parties from inappropriate litigation. The Exculpation granted under the Plan is reasonable in scope as it does not relieve any party of liability

for an act or omission to the extent such act or omission is determined by final order to constitute intentional fraud, willful misconduct, or gross negligence.

YY. The Injunction is essential to the Plan and is necessary to implement the Plan and to preserve and enforce the Debtor Releases, the Third-Party Release, the CUSA-Party Release, the CUSA-Release Party Release, the Exculpation, and release provisions in Section 10 of the Plan. The Injunction is appropriately tailored to achieve those purposes.

ZZ. The release of all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates described in Section 10.7(c) of the Plan (the “**Lien Release**”) is necessary to implement the Plan. The provisions of the Lien Release are appropriate, fair, equitable, and reasonable and are in the best interests of the Debtors, the Estates, Holders of Claims and Interests, and other Entities with an interest in the Debtors’ property.

AAA. The record of the Confirmation Hearing is sufficient to support the Debtor Release, Third-Party Release, the CUSA-Party Release, the CUSA Release-Party Release, Exculpation, and Injunction. Accordingly, based upon the representations of the parties and the evidence proffered, adduced, or presented at the Confirmation Hearing, the Debtor Release, Third-Party Release, Exculpation, and Injunction are consistent with the Bankruptcy Code and applicable law.

BBB. Implementation. All documents necessary to implement the Plan, including, without limitation, the Credit Bid Purchase Agreement and the other documents contained in the Plan Supplements, and all other relevant and necessary documents have been negotiated in good faith and at arms’ length and shall, upon completion of documentation and execution, be valid, binding, and enforceable agreements and not be in conflict with any federal or state law. The Debtors are hereby authorized to complete documentation and execute such documents and take

all such further actions as necessary to implement such documents, including the payment of all fees, expenses and other payments in accordance with the terms thereof.

CCC. Executory Contracts and Unexpired Leases. The Debtors have exercised reasonable business judgment in determining whether to assume or reject executory contracts and unexpired leases pursuant to Section 8.1 of the Plan. Each assumption of an executory contract or unexpired lease pursuant to Section 8.1 of the Plan shall be legal, valid, and binding upon the Post-Effective Date Debtors and their successors and assigns and all non-Debtor parties and their successors and assigns to such executory contract or unexpired lease, all to the same extent as if such assumption had been effectuated pursuant to an order of the Bankruptcy Court under section 365 of the Bankruptcy Code entered before entry of this Order. Moreover, the Debtors have appropriately cured, or provided adequate assurance that the Debtors, the Credit Bid Purchaser, FWE I, FWE IV, and a FWE Additional Entity, or the Post-Effective Date Debtors, as applicable, will cure, defaults (if any) under or relating to each of the executory contracts and unexpired leases that are being assumed by the Debtors pursuant to the Plan.

EEE. Conditions Precedent to Effective Date. The Plan shall not become effective unless all conditions set forth in section 9.1 of the Plan have been satisfied or waived pursuant to section 9.2 of the Plan.

FFF. Satisfaction of Confirmation Requirements. The Plan satisfies the requirements for confirmation set forth in section 1129 of the Bankruptcy Code.

GGG. Objections. All parties have had a full and fair opportunity to litigate all issues raised, or which might have been raised, in any objection to the Plan, and any such objections have been fully and fairly litigated.

HHH. Retention of Jurisdiction. Except as set forth in paragraph 150 of this Order, the Bankruptcy Court may, and upon the Effective Date shall, retain exclusive jurisdiction over all matters arising out of, and related to, the Chapter 11 Cases, including the matters set forth in Section 11 of the Plan and section 1142 of the Bankruptcy Code.

ACCORDINGLY, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:

1. Confirmation. The Plan annexed hereto as **Exhibit A** and each of its provisions, as modified pursuant to section 1127 of the Bankruptcy Code, are hereby approved and **CONFIRMED** under section 1129 of the Bankruptcy Code. The terms of the Plan, all exhibits and schedules thereto, the Plan Supplements, and the Plan Documents, each, as may be modified, are incorporated by reference into and are an integral part of the Plan and this Order.

2. Plan Supplements and Exhibits and Schedules to the Plan. The documents contained in the Plan Supplements, the exhibits and schedules to the Plan, and any other Plan Documents, and any amendments, modifications, and supplements thereto, and all documents and agreements introduced into evidence by the Debtors at the Confirmation Hearing (including all exhibits and attachments thereto and documents referred to therein), and the execution, delivery, and performance thereof by the Debtors, are authorized and approved.

3. Modifications to the Plan. The modifications to the Plan since the commencement of solicitation, including without limitation the modifications set forth in the Plan, do not materially adversely affect or change the treatment of any Claims. Accordingly, pursuant to Bankruptcy Rule 3019 and in accordance with the Solicitation Procedures Order, such modifications do not require additional disclosure under section 1125 of the Bankruptcy Code or re-solicitation of votes under section 1126 of the Bankruptcy Code, nor do they require that holders of Claims be afforded an opportunity to change previously cast acceptances or rejections of the Plan. To the extent any creditor or party in interest has not accepted the modifications to the Plan in writing, the treatment of Claims of any such creditors under the Plan, as modified, is not adverse and, pursuant to Local Rule 3019-1, holders of Claims who voted to accept the solicitation version of the Plan are deemed to accept the Plan as modified.

4. Subject to (i) the consent rights set forth in the Restructuring Support Agreement, (ii) the reasonable consent of the Creditors' Committee solely to the extent that it adversely impacts the holders of General Unsecured Claims or Unsecured Trade Claims, and (iii) the reasonable consent of the Prepetition FLFO Administrative Agent, the Plan may be amended, modified, or supplemented by the Debtors in the manner provided for by section 1127 of the Bankruptcy Code

or as otherwise permitted by law, without additional disclosure pursuant to section 1125 of the Bankruptcy Code, except as otherwise ordered by the Bankruptcy Court.

5. After the Confirmation Date, so long as such action does not materially and adversely affect the treatment of holders of Allowed Claims pursuant to the Plan, the Debtors, with (i) the consent of the Required DIP Lenders, and the Requisite FLTL Lenders, (ii) the reasonable consent of Apache to the extent it directly affects the structure of FWE I outlined in the Apache Term Sheet or the economic treatment of Apache, (iii) the reasonable consent of the Creditors' Committee solely to the extent that it adversely impacts the holders of General Unsecured Claims or Unsecured Trade Claims, and (iv) the reasonable consent of the Prepetition FLFO Administrative Agent, may remedy any defect or omission or reconcile any inconsistencies in the Plan or this Order with respect to such matters as may be necessary to carry out the purposes of effects of the Plan, and any holder of a Claim or Interest that has accepted the Plan shall be deemed to have accepted the Plan as amended, modified, or supplemented.

6. The Debtors, subject to (i) the consent of the Required DIP Lenders and the Requisite FLTL Lenders and (ii) the applicable consent rights of the Prepetition FLFO Administrative Agent, shall have the right to amend and supplement the documents contained in, and exhibits and schedules to, the Plan Supplements in accordance with the terms of the Plan and the Restructuring Support Agreement or the First Lien Exit Facility Commitment Letter, as applicable, through the Effective Date.

7. Before the Effective Date, the Debtors, subject to the consent rights set forth in the Restructuring Support Agreement, may make appropriate technical adjustments and modifications to the Plan without further order or approval of the Bankruptcy Court.

8. Objections. All objections to confirmation of the Plan that have not been withdrawn, waived, or settled, and all reservations of rights pertaining to confirmation of the Plan included therein, are overruled on the merits for the reasons stated on the record of the Confirmation Hearing.

9. Omission of Reference to Particular Plan Provisions. The failure to specifically describe or include any particular provision of the Plan in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of this Bankruptcy Court that the Plan be approved and confirmed in its entirety.

10. Solicitation and Notice. The Confirmation Hearing Notice complied with the terms of the Disclosure Statement Order, was appropriate and satisfactory based on the circumstances of the Chapter 11 Cases, and was in compliance with the provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Bankruptcy Rules. The solicitation of votes on the Plan and the Solicitation Packages complied with the solicitation procedures in the Disclosure Statement Order, were appropriate and satisfactory based upon the circumstances of the Chapter 11 Cases, and were in compliance with the provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Bankruptcy Rules. The Debtors solicited acceptances of the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code, including, without limitation, sections 1125(a) and (e) of the Bankruptcy Code, and any applicable non-bankruptcy law, rule or regulation governing the adequacy of disclosure in connection with such solicitation. The Debtors and each of their respective directors, officers, employees, affiliates, agents, financial advisors, investment bankers, professionals, accountants, and attorneys participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code in the solicitation of votes under the Plan, and therefore are not, and on account of such solicitation will not be, liable at any time for any

violation of any applicable law, rule or regulation governing the solicitation of acceptances or rejections of the Plan.

11. Vesting of Assets in Post-Effective Date Debtors. Except as otherwise provided in the Plan, including the Plan of Merger, this Order, or any Plan Supplements or Plan Documents, on and after the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, other than the Credit Bid Acquired Interests, all Assets of the Estates, including all claims, rights, and Causes of Action and any property acquired by the Debtors or the Post-Effective Date Debtors during the Chapter 11 Cases or under or in connection with the Plan shall vest in the Debtors or the Post-Effective Date Debtors, as applicable, free and clear of all Claims, Liens, charges, other encumbrances, and interests. Subject to the terms of the Plan, including the Plan of Merger, on and after the Effective Date, the Post-Effective Date Debtors (and the Plan Administrator, on behalf of the on behalf of the Post-Effective Date Debtors other than the Post-Effective Date FWE I Subsidiaries) may operate their businesses and may use, acquire, and dispose of property and prosecute, compromise, or settle any Claims (including any Administrative Expense Claims) and Causes of Action without notice to, supervision of or approval by the Bankruptcy Court and free and clear of any restrictions of the Bankruptcy Code or the Bankruptcy Rules other than restrictions expressly imposed by the Plan or this Order. Without limiting the foregoing, the Post-Effective Date Debtors may pay the charges that they incur on or after the Confirmation Date for Professional Persons' fees, disbursements, expenses, or related support services without application to the Bankruptcy Court, and the Plan Administrator may, consistent with the terms of the Plan, Plan Administrative Agreement, and this Order, pay after the Effective Date the reasonable and necessary expenses in connection with the performance of its duties under the Plan,

including the reasonable fees and expenses of professionals retained by the Plan Administrator, whether incurred before or after the Effective Date.

12. Abandonment of Certain Assets. Pursuant to this Order, the Plan, Plan Supplement, or any other implementing or supplementing Plan Documents, the Abandoned Properties and any related facilities, platforms, or other assets (the “**Abandoned Assets**”), each as determined by the Debtors, shall be abandoned pursuant to the Plan Documents without further notice to or order of the Bankruptcy Court immediately upon the occurrence of the Effective Date pursuant to sections 105(a) and 554 of the Bankruptcy Code and/or deemed rejected pursuant to Section 365 of the Bankruptcy Code, as applicable. The Abandoned Assets, including the Abandoned Properties, shall not be allocated to nor vest in the Post-Effective Date Debtors, FWE I, FWE IV, any FWE Additional Entity or any NewCo Entity (including, without limitation, the Credit Bid Purchasers). Except as otherwise provided in the Plan Documents, none of the Debtors, their Estates, the Post-Effective Date Debtors, FWE I, FWE IV, any FWE Additional Entity nor the NewCo Entities (including, without limitation, the Credit Bid Purchasers) shall be liable for any obligations whatsoever arising from or relating to the post-Effective Date period with regards to the Abandoned Assets, including the Abandoned Properties, except that FWE III may be deemed to be the operator of Abandoned Properties that Fieldwood Energy LLC was the designated operator of immediately prior to the Effective Date.

Abandoned Properties; and (ii) authorization to relinquish the Abandoned Assets, including the Abandoned Properties. Such abandonment and/or relinquishment does not alter the obligation of the Debtors, the Post-Effective Date Debtors, or the Plan Administrator, as applicable, to comply with laws reasonably designed to protect the public health and safety from identifiable hazards, including, but not limited to, plugging and abandonment obligations (the “**Decommissioning Obligations**”) or in any manner extinguish, modify, or otherwise limit: (a) the obligations of non-Debtor third parties for Decommissioning Obligations, or (b) the rights of the United States to enforce such Decommissioning Obligations.

15. Approval of Credit Bid Transaction. Pursuant to Bankruptcy Code sections 105, 363, 365, 1123, 1129 and 1141, the Credit Bid Transaction, the Credit Bid Purchase Agreement, the ancillary documents related thereto, all of the terms and conditions thereof, and all of transactions contemplated thereby are hereby authorized and approved. 22. Pursuant to section 363(m) of the Bankruptcy Code, the reversal or modification on appeal of the authorization provided herein to effectuate the Credit Bid Transaction and consummate the transactions contemplated by the Credit Bid Purchase Agreement shall not affect the validity of such transactions (including the assumption, assignment, and/or transfer of any executory contract or unexpired lease), unless such authorization and consummation of such transactions are duly stayed pending such appeal.

Except with respect to (x) any and all Liens securing the FLFO Claim or the obligations under the First Lien Exit Facility that attach to the Credit Bid Acquired Interests and are retained and deemed assigned to the First Lien Exit Facility Agent upon the Effective Date to secure the obligations under the First Lien Exit Facility, and (y) all Liens securing the FLTL Claims that attach to the Credit Bid Acquired Interests and are deemed assigned to the Second Lien Exit Facility Agent upon the Effective Date to secure the obligations under the Second Lien Exit Facility, each and every Recordation Officer is authorized, from and after the Effective Date, to strike all Claims, interests, Liens, or other encumbrances in or against the Debtors’ assets from their records, official and otherwise, without further order of the Bankruptcy Court or act of any party. Each and every Recordation Officer is authorized (a) to file, record, and/or register any and all documents and instruments presented to consummate or memorialize the Credit Bid Purchase Agreement, the Plan and the transactions contemplated thereby (including the deemed assignment of the Liens securing the FLFO Claims and the FLTL Claims that attach to the Credit Bid Acquired Assets to the applicable Exit Facility Agents upon the Effective Date to secure the obligations under the Exit Facilities) and (b) to accept and rely on this Order as the sole and sufficient evidence of the transfer of title of the Credit Bid Acquired Interests.

25. To the extent applicable, the terms and provisions of the Credit Bid Purchase Agreement, the Plan, and this Order shall upon the Effective Date be binding in all respects upon (a) the Debtors and their affiliates, (b) all known and unknown creditors of, and holders of equity security interests in, any Debtor, including any holders of Claims, interests, Liens, and other encumbrances, (c) the Post-Effective Date Debtors, (d) the RSA Parties, (e) the Credit Bid Purchasers, and (f) all interested parties, and all successors and assigns of any of the foregoing.

26. Section 1141. As set forth in the Plan, the Liens securing the FLFO Claims that attach to the Credit Bid Acquired Interests shall be retained and deemed assigned to the First Lien Exit Facility Agent upon the Effective Date to secure the obligations under the First Lien Exit Facility. The Liens securing the FLTL Claims that attach to the Credit Bid Acquired Interests shall be retained and deemed assigned to the Second Lien Exit Facility Agent upon the Effective Date to secure the obligations under the Second Lien Exit Facility.

27. Pursuant to section 1141(c) and 363(f) of the Bankruptcy Code, on the Effective Date, all Persons are forever prohibited and enjoined from taking any action against the Credit Bid Purchasers or Post-Effective Date Debtors based on any Claims, interests, Liens, and other encumbrances to the extent such Claims, interests, Liens and other encumbrances are released or discharged pursuant to the terms of the Plan.

28. Plan of Merger. Notwithstanding anything in the Plan or this Order, FWE IV shall not be liable for any liability or obligation on account of any Claim or Interest that is compromised, settled, released or discharged pursuant to the Plan.

29. Restructuring Transactions. After the Confirmation Date, the Debtors, the Post-Effective Date Debtors, the Plan Administrator, or the NewCo Entities as applicable, and the appropriate officers, representatives, and members of the boards of managers or boards of directors thereof, as applicable, shall be authorized to and may issue, execute, deliver, file, or record such contracts, documents, securities, instruments, releases, and other agreements, including those contained in the Plan Documents, and take such other actions as may be necessary and appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan, including the Restructuring Transactions and all other actions defined in Article V of the Plan or otherwise contemplated by the Plan, including the conversion, merger, or dissolution of any Debtors, as applicable, without the need for further approvals, authorization, or consents, except for those expressly required pursuant to the Plan. All actions contemplated by the Plan, including all actions in connection with the Plan of Merger and related documents, Exit Facilities, and Equity Rights Offerings, are hereby effective and authorized to be taken on, prior to, or after the Effective Date, as applicable, under this Order, without further application to, or order of this Bankruptcy Court, or further action by the respective officers, directors, managers, members, or equity holders of the Debtors, the Post-Effective Date Debtors, the Plan Administrator or the NewCo Entities.

30. Plan Classification Controlling. The classification of Claims and Interests for purposes of the Distributions to be made under the Plan shall be governed solely by the terms of the Plan. The classifications set forth on the Ballots tendered to or returned by the Debtors' creditors in connection with voting on the Plan (a) were set forth on the Ballots for purposes of

voting to accept or reject the Plan, (b) do not necessarily represent, and in no event shall be deemed to modify or otherwise affect, the actual classification of such Claims and Interests under the Plan for Distribution purposes, and (c) shall not be binding on the Debtors.

31. Approval of Plan Settlement and Other Settlements. The entry of this Order constitutes this Bankruptcy Court's approval of the terms of the Plan Settlement that are set forth in the Plan and of all other compromises and settlements set forth in the Plan, all of which are in the best interests of the Debtors, their Estates, and holders of Claims and Interests and are fair, equitable, and reasonable.

Upon and following the Effective Date, the Plan Administrator shall serve as the sole officer, director, or manager of each Post-Effective Date Debtor, except the Post-Effective Date FWE I Subsidiaries. The Plan Administrator may also elect such additional manager(s) and officer(s) of each Post-Effective Date Debtor (except the Post-Effective Date FWE I Subsidiaries), as the Plan Administrator deems necessary to implement the Plan and the actions contemplated herein and therein.

33. Distributions under the Plan. The provisions of Article VI of the Plan, including, without limitation, the provisions governing Distributions, are fair and reasonable and are approved.

34. Disputed Claims. The provisions of Article VII of the Plan, including, without limitation, the provisions governing procedures for resolving Disputed Claims, are fair and reasonable and are approved.

35. Executory Contracts. In accordance with Section 8.1 of the Plan, on the Effective Date, except as otherwise provided in the Plan, each executory contract and unexpired lease to which any of the Debtors are parties shall be deemed automatically rejected pursuant to sections 365 and 1123 of the Bankruptcy Code, unless such executory contract or unexpired lease: (i) was previously assumed or rejected by the Debtors pursuant to an order of the Bankruptcy Court; (ii) previously expired or terminated pursuant to its own terms or by agreement of the parties thereto; (iii) is the subject of a motion to assume filed by the Debtors on or before the Confirmation Date; (iv) is identified in Sections 8.4 or 8.5 of the Plan; or (v) is identified for assumption on the Schedule of Assumed Contracts included in the Plan Supplements, which Schedule of Assumed Contracts will identify executory contracts or unexpired leases for assumption and assignment to the Credit Bid Purchaser in accordance with the Credit Bid Purchase Agreement. In accordance with Section 8.3 of the Plan, any proofs of Claim filed with respect to the rejection of an executory contract or unexpired lease must be filed with this Bankruptcy Court and served upon counsel for the Debtors, Post-Effective Date Debtor, or the Plan Administrator, as applicable, by the later of (i) thirty (30) days after the filing and service of the notice of the occurrence of the Effective Date; and (ii) thirty (30) days after entry of an Order rejecting such contract or lease if the contract or lease is the subject of a pending Assumption Dispute.

36. The Debtors have cured or demonstrated their ability to cure any default with respect to any act or omission that occurred prior to the Effective Date under any of the executory contracts or unexpired leases proposed to be assumed or assumed and assigned or assumed and allocated, as applicable (collectively, the “**Assumed Contracts**”), pursuant to the terms of the Plan, the Credit Bid Purchase Agreement, and any Plan of Merger, as applicable, within the meaning of section 365(b)(1)(A) of the Bankruptcy Code. Unless otherwise agreed to by the

parties, other than with respect to an Assumed Contract that is the subject of an Assumption Dispute (as defined below), the Cure Amounts set forth in the Schedule of Assumed Contracts are the amounts necessary to “cure” all “defaults” within the meaning of section 365(b) of the Bankruptcy Code under the Assumed Contracts. Other than with respect to an Assumed Contract that is the subject of an Assumption Dispute, the promise by the Debtors, the Post-Effective Date Debtors, FWE IV, or the Credit Bid Purchaser, as applicable, to perform the obligations under their respective Assumed Contracts after the Effective Date shall constitute adequate assurance of their future performance of and under each of their respective Assumed Contracts within the meaning of sections 365(b)(1) and 365(f)(2), as applicable.

37. Any Apache Fees and Expenses in excess of the Apache Fee Cap shall be the sole responsibility of FWE I.

80. The Prepetition FLFO Lenders, Prepetition FLTL Lenders, and Prepetition SLTL Lenders shall, simultaneously with the execution and delivery of the Apache Definitive Documents (to occur no later than the Effective Date) and the creation of FWE I LLC pursuant to the Apache Definitive Documents, be deemed to release (and/or cause the applicable administrative agent or collateral agent to release) all liens and encumbrances on, interests in, and claims against the Legacy Apache Properties (as defined in the Apache Term Sheet) and the other FWE I Assets (as defined in Part A of Schedule I to the Plan of Merger) and the Consenting Creditors (as defined in the Apache Implementation Agreement (as may be amended from time to time)) shall release the Apache PSA Parties from any and all causes of action and claims of any kind related to the Legacy

Apache Properties arising prior to the Effective Date. From the time of the entry of this Order to the Effective Date, the Debtors shall not cause, permit or otherwise allow the creation of new liens (contractual or statutory) against the Legacy Apache Properties or the other FWE I Assets except for tax liens which arise by operation of law for taxes not yet due and payable, nor shall the Prepetition FLFO Lenders, Prepetition FLTL Lenders, and Prepetition SLTL Lenders consent to same.

81. FWE's assets to be allocated to, possessed by, assumed by, and vested in FWE I and FWE III, respectively, pursuant to the transactions contemplated by and in accordance with the Plan of Merger (the "**Divisive Merger**"), including contracts, leases, oil and gas leases and assets constituting real property interests (including all fee surface interests in land, surface leases, easements, rights of way, servitudes, licenses, franchises, road, railroad, and other surface use permits or agreements), except as otherwise provided in this Order, shall be (a) free and clear of (i) any right of consent, notice, and other similar rights, if any, that are applicable to the vesting of the assets in connection with the Divisive Merger (such rights, the "**Consent Rights**") and (ii) all preferential purchase rights, rights of first refusal, drag-along rights, tag-along rights, and other similar rights, if any, that are applicable to the vesting of the assets in connection with the Divisive Merger (such rights, the "**Preferential Purchase Rights**"), but (b) subject to and burdened by (x) the liabilities and obligations allocated to and vested in, respectively, FWE I or FWE III, as specified in the Plan of Merger, pursuant to the Divisive Merger (collectively, "**Allocated Obligations**") and (y) Permitted Post-Closing Liens (as defined in the Schedule of Defined Terms for Required Confirmation Order Provisions, attached to the Apache Implementation Agreement as **Exhibit B**).

Except as otherwise provided in the Plan or this Order with respect to the Released Parties (other than with respect to any NewCo Entity or any Credit Bid Acquired Interests, in each case with respect to any right, claim, or interest arising (i) under an agreement assumed and assigned or allocated to any NewCo Entity under which FWE I or GOM Shelf LLC is a party or (ii) in connection with an obligation assumed pursuant to the Credit Bid Transaction (which all such rights, claims, or interests are hereby expressly reserved)), nothing herein shall affect or be deemed to restrict or limit Apache's, FWE I's, or GOM Shelf LLC's claims for or rights to seek payments or contribution from, and any defenses against, current or prior working interest owners, predecessors, co-owners and/or operators, or from any other parties that are contractually, legally, regulatorily or equitably liable for decommissioning or related obligations with respect to the Legacy Apache Properties and FWE I Assets.

83. Subject to a cap of \$300,000, (the "**Apache Implementation Costs Cap**") which amount shall be funded by FWE III as an Administrative Expense Claim no later than twenty-one (21) days after the Effective Date, FWE III shall, and shall cause its debtor affiliates in the above-captioned Chapter 11 Cases to, on the Effective Date, provide for the payment of any and all documentary, filing, recording, stamp, and registration fees, costs, taxes, and expenses (including

all reasonable and documented attorneys' fees and regulatory consultant fees) incurred or imposed after the Effective Time (as defined in the Plan of Merger) in connection with the filing of record by or on behalf of FWE I or GOM Shelf LLC of any instrument or instruments with the appropriate records office of any county, parish, state, federal, or other governmental unit (including the U.S. Bureau of Ocean Energy Management ("**BOEM**")) that may be required in connection with the implementation of the Divisive Merger or that either FWE I or GOM Shelf LLC determines in its respective sole discretion to be necessary or appropriate to reflect in the appropriate records of any governmental unit that as a result of the Divisive Merger (a) ownership of the FWE I Assets have been allocated to and are vested in FWE I (and to the extent appropriate to reflect ownership of the GOM Shelf Properties (as defined in the Plan of Merger) in GOM Shelf LLC), and (b) the Allocated Obligations have been allocated to and vested in, and constitute liabilities and obligations of, FWE I and FWE III, respectively (collectively, the "**Apache Implementation Costs**"). For the avoidance of doubt, the documentary, filing, recording, stamp, and registration fees of FWE I or GOM Shelf LLC, shall include such costs and expenses required to file or to cause to be filed of record in the records office, as determined by Apache to be appropriate, of any county, parish, state, federal, or other governmental unit (including BOEM) of the mortgages, security interests and similar security documentation as is contemplated by the Standby Loan Agreement and the Standby Credit Facility Documents to secure the obligations of FWE I and GOM Shelf LLC thereunder. Any Apache Implementation Costs that exceed the Apache Implementation Costs Cap shall be the sole responsibility of and paid for by FWE I.

84. Upon the Effective Date of the Plan, to the extent the Decommissioning Agreement is an executory contract, it will be assumed, with the consent of the Apache PSA Parties, by the Fieldwood PSA Parties and, upon consummation of the transactions provided for in the Plan of

Merger, become the obligation of FWE I. Upon execution of the Apache Definitive Documents, including, without limitation the granting of liens to Apache on the FWE I and GOM Shelf LLC assets contemplated thereunder, the Debtors will be deemed to have cured all defaults existing under the Decommissioning Agreement as of the Effective Date (the “**Apache Cure**”) and no third party, including, without limitation, the Apache Sureties, may raise any defense to payment under the Apache Surety Bonds or letters of credit, in each case constituting Decommissioning Security, based on the agreement reached between the Debtors and Apache as to the Apache Cure.

85. Except for the rights and remedies to enforce (a) the Decommissioning Agreement against GOM Shelf LLC and FWE I following the Divisive Merger (which agreement shall be allocated to FWE I and GOM Shelf LLC under the Divisive Merger), (b) the Plan, (c) this Order, and (d) the obligations contemplated by the Apache Definitive Documents, the Apache PSA Parties shall be deemed Releasing Parties (as defined in the Plan) under the Plan and waive and release any and all pre-Effective Date claims of any kind (including, without limitation, the Apache Audit Claims, the Apache Trust A Claims and any claims that could qualify as administrative expense claims) against the Debtors, their estates and any other Released Party in all circumstances only to the extent such claims accrued on or prior to the Effective Date and only to the extent such releases do not impair the Decommissioning Security, or Apache’s ability to draw on the Decommissioning Security in any respect. For the avoidance of doubt, any and all claims the Apache PSA Parties may have against FWE I or GOM Shelf LLC related to the Decommissioning Agreement arising post-Effective Date and any security obtained, provided, or pledged in connection with the Decommissioning Agreement (the “**Decommissioning Security**”) will be preserved.

86. Except for the rights and remedies to enforce (a) the Decommissioning Agreement against the Apache PSA Parties following the Divisive Merger, (b) the Plan, (c) this Order, and (d) the obligations contemplated by the Apache Definitive Documents, the Debtors shall waive and release any and all pre-Effective Date claims of any kind against the Apache PSA Parties, in all circumstances only to the extent such claims accrued on or prior to the Effective Date. For the avoidance of doubt, any and all claims FWE I may have against the Apache PSA Parties related to the Decommissioning Agreement arising post-Effective Date and the Decommissioning Security will be preserved.

87. All rights of the Apache PSA Parties with respect to bonds and letters of credit constituting security for decommissioning of the assets held by the GOM Shelf LLC or allocated to and vested in FWE I, including, without limitation, the Decommissioning Security shall be preserved as against such bonding companies and letter of credit issuers in all respects. The Debtors shall not terminate any bonds issued on behalf of the Debtors relating to the Legacy Apache Properties under which any federal, state or local governmental entity is an obligee. Except as otherwise provided in the Plan Documents, Everest reserves all rights regarding all bonds for which it issued to obligees other than Apache. For avoidance of doubt, Everest Bond No. ES00001441 in favor of Apache, as obligee, is expressly an Apache Surety Bond and subject to the Apache-Surety Term Sheet.

88. With respect to the agreements and memberships relating, in whole or in part, to well containment/control, clean-up of spills, or other pollution, or the gathering of data relating to certifications required to be made to a governmental unit with respect to the FWE I Assets (as defined in the Plan of Merger) or GOM Shelf Oil and Gas Properties (as defined in the Plan of Merger), to the extent any such agreements or memberships are also needed in respect to any

Credit Bid Acquired Interests or FWE III Assets (as defined in the Plan of Merger) that are set forth on **Exhibit 23** attached to the Apache Implementation Agreement, then on or before the Effective Date, FWE shall obtain new agreements and membership for such use with respect to the Credit Bid Acquired Interests or FWE III Assets. With respect to any Excluded Contracts (as defined in the Plan of Merger), FWE shall, on or before the Effective Date, prepare and negotiate replacement agreements with the counterparties to such Excluded Contracts upon substantially the same terms as such Excluded Contracts which may be executed by FWE I immediately following the Effective Date.

89. The Fieldwood PSA Parties and the Apache PSA Parties may, by mutual agreement, amend and modify, without the consent of the Consenting Creditors, the forms of the agreements governing the terms of employment of the Independent Director (as defined in the Apache Term Sheet) of FWE I and of the “sole manager” (as that term is used in the Apache Term Sheet) of FWE I (the “**Sole Manager**”), and the form of the agreement with the “service provider” (as that term is used in the Apache Term Sheet) of FWE I (the “**Contract Services Provider**”) to be included in the bid package for the Contract Services Provider.

90. The Bankruptcy Court (i) approves the Apache Definitive Documents, as such documents are defined in the Apache Implementation Agreement (as amended), and all transactions contemplated thereby and thereof, including the Plan of Merger and Standby Credit Facility Documents, and all actions to be taken, undertakings to be made, and obligations to be incurred by FWE I and GOM Shelf LLC, as applicable, contemplated thereby; and (ii) authorizes FWE I and GOM Shelf LLC, following the consummation of the Plan of Merger, without further notice to or action, order, or approval of this Bankruptcy Court and without the need for any further corporate or shareholder action, to enter into, deliver, and fully perform its obligations under the

Apache Definitive Documents, including without limitation, the Standby Credit Facility Documents. Upon entry of this Order, FWE I or the Sole Manager, as applicable, shall be authorized and empowered, without further approval of the Bankruptcy Court or any other party, to take such actions and perform such acts as may be necessary, convenient, desirable, or appropriate to execute and deliver the Apache Definitive Documents in accordance with the Plan and to execute and deliver all documents relating thereto and to perform all of their obligations thereunder. On the Effective Date, the Apache Definitive Documents shall constitute legal, valid, binding, and authorized obligations of FWE I and GOM Shelf LLC, as applicable, enforceable in accordance with their terms, and such obligations of FWE I or GOM Shelf LLC shall not be enjoined or subject to discharge, impairment, release, avoidance, recharacterization, or subordination by FWE I or GOM Shelf LLC or the Post-Effective Date Debtors under applicable law, the Plan, or this Order. On the Effective Date, all liens granted pursuant to, or in connection with, the Apache Definitive Documents shall be deemed granted by FWE I or GOM Shelf LLC pursuant to the Apache Definitive Documents. On the Effective Date, all liens granted pursuant to, or in connection with Apache Definitive Documents, as applicable, (i) shall be valid, binding, perfected, enforceable liens in the property subject to a security interest granted by FWE I pursuant to the Apache Definitive Documents, as applicable, with the priorities established in respect thereof under applicable non-bankruptcy law and the Apache Definitive Documents, including, but not limited to, the Mortgages, Security Agreement or Standby Loan Agreement and (ii) shall not be enjoined or subject to discharge, impairment, release, avoidance, recharacterization, or subordination by FWE I or GOM Shelf LLC under applicable law, the Plan, or this Order. For the avoidance of doubt, the liens granted to Apache pursuant to the Recharacterization Mortgages (as such term is defined in the Decommissioning Agreement, as amended from time to time, and as

supplemented by the Recharacterization Mortgages) upon any recharacterization of the Trust A or Trust A-1 NPIs (as such terms are defined in the Decommissioning Agreement, as amended from time to time, and as supplemented by the Recharacterization Mortgages) shall be senior in all respects to any other liens.

91. The allocation of the Decommissioning Agreement to FWE I, which will occur upon the effectiveness of the Divisive Merger provided for in the Plan, is not a transfer or assignment and is not subject to any transfer or assignment consent requirement.

92. Neither the Plan nor the Apache Implementation Agreement (including the Apache Definitive Documents attached thereto) amends or alters the Decommissioning Agreement.

93. Neither the Plan nor the Apache Implementation Agreement (including the Apache Definitive Documents attached thereto) discharges or otherwise changes the Sureties' obligations to Apache under the Surety Bonds or impairs Apache's ability to draw on the Surety Bonds post-Effective Date.

94. The reorganization of FWE in accordance with the Plan, including the creation of FWE I pursuant to a divisive merger and its formation under the Fieldwood Energy I LLC Agreement, does not give Apache or any of its affiliates control over FWE I in any manner that would be recognized under the Securities Act of 1934, the Bankruptcy Code, or any other applicable law, and none of the terms of the Apache Definitive Documents, including the consent rights granted to Apache thereunder, cause Apache to have any such control over FWE I.

95. Apache-Surety Term Sheet. The Bankruptcy Court (i) approves the term sheet between the Debtors and Apache, Zurich American Insurance Company ("**Zurich**"), Everest Reinsurance Company ("**Everest**"), HCC International Insurance Company ("**HCCI**"), and Philadelphia Indemnity Insurance Company ("**Philadelphia**") and together with Zurich, Everest

and HCCI, the “**Apache Sureties**” and each an “**Apache Surety**”), a copy of which is attached hereto as **Exhibit B** (the “**Apache-Surety Term Sheet**”) and all actions to be taken, undertakings to be made, and obligations to be incurred contemplated thereby; (ii) authorizes the Debtors to negotiate the definitive documents in accordance with the Apache-Surety Term Sheet (the “**Apache-Surety Definitive Documents**”); and (iii) authorizes FWE I or GOM Shelf LLC, without further notice to or action, order, or approval of this Bankruptcy Court and without the need for any further corporate or shareholder action, to enter into, deliver, and fully perform its obligations under the Apache Sureties Definitive Documents, including, without limitation, the *Subrogation, Subordination and Payment Agreement* (“**SSPA**”) contemplated in the Apache-Surety Term Sheet.

96. Apache Surety Claims. All claims against the Debtors, if any, of the Apache Sureties arising under or relating to any surety bonds, letters of credit, indemnification agreements, or other related agreements existing as of the Petition Date (including, without limitation, any claims for premiums, fees, expenses, or similar charges, whether due before, on, or after the Petition Date), including but not limited to any claims and causes of action, whether arising in contract or in tort, in law or in equity or pursuant to any other theory of law (including under any state or federal securities laws), are classified as General Unsecured Claims in Class 6B and shall be treated accordingly under the Plan. For the avoidance of doubt, all rights and claims of the Apache Sureties set forth in the Apache-Surety Term Sheet shall be treated pursuant to the Apache-Surety Term Sheet.

97. Non-Apache Sureties Claims. Nothing in the Plan or this Order shall or shall be deemed to adjudicate or modify the rights of any obligees (“**Obligees**”) or surety providers (other than, solely in their capacity as such, the surety providers that issued bonds in favor of Apache and

are parties to the Apache-Surety Term Sheet, such surety providers the “**Apache Sureties**” and all other surety providers, the “**Non-Apache Sureties**”) as between the Obligee and the Non-Apache Surety under any surety bonds issued on behalf of the Debtors, their non-Debtor affiliates, or otherwise (the “**Non-Apache Term Sheet Surety Bonds**”) or under applicable law. Other than Sections 5.13, 10.6, 10.7, 10.8, and 10.9 of the Plan, nothing in the Plan or this Order bars, impairs, enjoins, releases, alters, diminishes or enlarges any of the rights or defenses of the Non-Apache Sureties (other than a Releasing Party) against any non-Debtor Entity (other than the Post-Effective Date Debtors, FWE I, FWE IV, any NewCo Entity, or any Credit Bid Acquired Interests), including, but not limited to, any predecessors in interest or co-working interest parties with respect to any of the Debtors’ assets. For the avoidance of doubt, the Non-Apache Sureties shall not be entitled, under any circumstances, to claim a right of subrogation against the Debtors, the Post-Effective Date Debtors, FWE I, any FWE Additional Entity or NewCo and its subsidiaries (including Credit Bid Purchasers), unless such subrogation rights, if any, relate to obligations that both (x) accrue post-Effective Date and (y) arise from post-Effective Date activity and, with respect NewCo and its subsidiaries (including Credit Bid Purchasers), relates to the Credit Bid Acquired Interests. Similarly, for the avoidance of doubt, nothing in this Order or the Plan, including any language referencing subrogation, shall bar, impair, enjoin, release, alter, diminish or enlarge any of the Non-Apache Sureties’ rights to seek contribution from any co-working interest party, predecessor owner, or any non-Debtor Entity (other than the Post-Effective Date Debtors, FWE I, GOM Shelf LLC, FWE IV, or any NewCo Entity) for any payment by any of the Non-Apache Sureties under the Non-Apache Term Sheet Surety Bonds. To the extent of any conflict between this paragraph and paragraphs 111–18 (including any matters incorporated into paragraphs 111–18), the rights and obligations of the parties bound by the Eni Definitive

Documents and Eni Implementation Agreement (including without limitation Eni and NAS) identified in paragraphs 111–18 are governed by paragraphs 111–18.

98. Nothing in this Order or the Plan shall require the Non-Apache Sureties to issue any new surety bonds or extensions or renewals of the Non-Apache Term Sheet Surety Bonds.

99. For the avoidance of doubt, no Non-Apache Term Sheet Surety Bond under which a Debtor is the principal is being assumed, assumed and assigned, or assumed and allocated to any entity under the Plan or the Plan Documents, including Credit Bid Purchaser, FWE I, FWE III and/or FWE IV.

100. Nothing in this Order and/or the Plan shall, or be deemed to: bar, impair, enjoin, release, alter, diminish, or in any way affect or impact the regulatory authority of the Government, including with respect to the security and bonding requirements for owners and operators of oil and gas assets in the Gulf of Mexico. The Government maintains its full regulatory authority to require that FWE I, Credit Bid Purchaser and/or any other entities being created under the Plan post security and bonding under the applicable regulations, and this Order and/or Plan in no way purports to infringe upon those rights. To the extent the Government requires any such security and/or bonding consistent with law and regulations, the respective entity will obtain the required bonding, including any required supplemental bonding.

101. CUSA. Chevron U.S.A. Inc., its parent and affiliates, including Noble Energy, Inc., Union Oil Company of California, Unocal Pipeline Company and Texaco Inc. (such parent and affiliates, together with CUSA, individually each a “**CUSA Entity**” and collectively the “**CUSA Entities**”) shall not be deemed to be a “Released Party” or a “Releasing Party” as such terms are defined in the Plan. For the avoidance of doubt, other than set forth expressly in the Plan, no CUSA Entity has waived or released, or shall be deemed to have waived or released, any claim,

including but not limited to any and all claims under the Bankruptcy Code, the Chevron Claims, and any and all claims related to or arising under the CUSA Implementation Agreement or the CUSA Definitive Documents, *provided* any such claims shall receive the applicable treatment set forth in the Plan. Nothing within the Plan or Order constitutes a transfer of title and/or ownership or operatorship of any of the Abandoned Properties to CUSA Entities.

102. Upon effectiveness of the CUSA Definitive Documents, pursuant to Section 8 of the CUSA Implementation Agreement, the Debtors shall be deemed to have waived any and all prepetition claims or causes of action against any of the CUSA Entities. Each CUSA Party shall be an “**Exculpated Party**” as such term is defined in the Plan (to the maximum extent permitted by the Bankruptcy Court).

103. FWE’s assets to be allocated to, possessed by, assumed by, and vested in FWE I and FWE III, respectively, pursuant to the transactions contemplated by and in accordance with the Initial Plan of Merger (the “**Initial Divisive Merger**”), including contracts, permits, leases, oil and gas leases and assets constituting real property interests (including all fee surface interests in land, surface leases, easements, rights of way, servitudes, licenses, franchises, road, railroad, and other surface use permits or agreements), except as otherwise provided in this Order, shall be (a) free and clear of (i) any right of consent, notice, and other similar rights, if any, that are applicable to the vesting of the assets in connection with the Initial Divisive Merger and (ii) all preferential purchase rights, rights of first refusal, drag-along rights, tag-along rights, and other similar rights, if any, that are applicable to the vesting of the assets in connection with the Initial Divisive Merger, but (b) subject to and burdened by (x) the liabilities and obligations allocated to and vested in, respectively, FWE I or FWE III, as specified in the Initial Plan of Merger, pursuant

to the Initial Divisive Merger and (y) Permitted Post-Closing Liens (as defined in Apache Implementation Agreement).

104. FWE III's assets to be allocated to, possessed by, assumed by, and vested in FWE IV pursuant to the transactions contemplated by and in accordance with the FWE III Plan of Merger (the "**FWE IV Divisive Merger**"), including contracts, permits, leases, oil and gas leases and assets constituting real property interests (including all fee surface interests in land, surface leases, easements, rights of way, servitudes, licenses, franchises, road, railroad, and other surface use permits or agreements), except as otherwise provided in this Order, shall be (a) free and clear of (i) any right of consent, notice, and other similar rights, if any, that are applicable to the vesting of the assets in connection with the FWE IV Divisive Merger (such rights, the "**FWE IV Consent Rights**") and (ii) all preferential purchase rights, rights of first refusal, drag-along rights, tag-along rights, and other similar rights, if any, that are applicable to the vesting of the assets in connection with the FWE IV Divisive Merger (such rights, the "**FWE IV Preferential Purchase Rights**"), but (b) subject to and burdened by the liabilities and obligations allocated to and vested in, respectively, FWE III or FWE IV, as specified in the FWE III Plan of Merger (such liability and obligations allocated to and vested in FWE IV, the "**FWE IV Allocated Obligations**"). The reorganization of FWE in accordance with the Plan, including the creation of FWE IV pursuant to a divisive merger and its formation under the Fieldwood Energy IV LLC Agreement, does not give the CUSA Entities control over FWE IV in any manner that would be recognized under the Securities Act of 1934, the Bankruptcy Code, or any other applicable law; and none of the terms of the CUSA Definitive Documents, including consent rights granted to the CUSA Entities thereunder, cause the CUSA Entities to have any such control over FWE IV. Nothing in the Plan or this Order shall be deemed to: (a) adjudicate or modify the rights between the CUSA Entities

and their sureties under any CUSA Entities' bonds or under applicable law (as between CUSA Entities and the Sureties); (b) bar, impair, enjoin, release, alter, diminish, or enlarge any of the rights or defenses of such sureties against any non-Debtors (other than with respect to any NewCo Entity or any Credit Bid Acquired Interests); or (c) constitute a waiver or release of any rights or defenses that the sureties hold against non-Debtor Parties (other than with respect to any NewCo Entity or any Credit Bid Acquired Interests). Nothing within the Plan or Order shall create or vest in any Entity, including the Post- Effective Date Debtors, FWE I, GOM Shelf LLC, FWE IV, or the NewCo Entities, any rights or claims against CUSA Entities that do not otherwise exist under applicable law or agreement, including, without limitation any rights or claims pursuant to any contracts or agreements being assumed and assigned or assumed and allocated to such Entities.

105. Entities (as defined under section 101(15) of the Bankruptcy Code) or parties that fail to timely file an objection asserting a FWE IV Consent Right or FWE IV Preferential Purchase Right are (a) forever barred from objecting to the allocation and vesting of the assets in connection with the FWE III Plan of Merger free and clear of all FWE IV Consent Rights and FWE IV Preferential Purchase Rights, and from asserting any alleged FWE IV Consent Rights or FWE IV Preferential Purchase Rights with respect to the FWE III Plan of Merger, and (b) deemed to consent to and approve the allocation and vesting of the assets free and clear of all FWE IV Consent Rights and FWE IV Preferential Purchase Rights, regardless of whether such consent must be in writing pursuant to the terms of any agreement. For the avoidance of doubt, nothing herein, including the releases provided pursuant to Section 10.7 of the Plan, shall affect or be deemed to restrict or limit CUSA's, CUSA's affiliates, or FWE IV's claims for or rights to seek payments or contribution from any current or prior non-Debtor working interest owners, predecessors, co-owners and/or operators, or from any other non-Debtor parties that are contractually, legally,

regulatorily or equitably liable for decommissioning or related obligations, including obligations under surety bonds, letters of credit or other instruments relating thereto, with respect to the Legacy CUSA Properties or the FWE IV Assets.

106. 107. All rights of any applicable CUSA Entity and/or other obligee with respect to bonds and letters of credit constituting security for the decommissioning of the assets allocated to and vested in FWE IV shall be reserved as against such bonding companies and letter of credit issuers in all respects. The Debtors shall not terminate any bonds issued on behalf of the Debtors relating to such FWE IV assets under which any federal, state or local governmental entity is an obligee.

108. The Bankruptcy Court (i) approves the CUSA Implementation Agreement and Definitive Documents and all transactions contemplated by such agreements, including the FWE III Plan of Merger, and all actions to be taken, undertakings to be made, and obligations to be incurred by FWE III or FWE IV, as applicable, contemplated thereby; and (ii) following the consummation of the FWE III Plan of Merger, authorizes FWE III or FWE IV, as applicable, without further notice to or action, order, or approval of this Bankruptcy Court and without the need for any further corporate or shareholder action, to enter into, deliver, and fully perform their obligations under the CUSA Implementation Agreement and CUSA Definitive Documents. On the Effective Date, the CUSA Definitive Documents shall constitute legal, valid, binding, and authorized obligations of FWE III or FWE IV, as applicable, enforceable in accordance with their terms, and such obligations of FWE III or FWE IV, as applicable, shall not be enjoined or subject to discharge, impairment, release, avoidance, recharacterization, or subordination by FWE III, FWE IV, the Post-Effective Date Debtors, or the Plan Administrator, under applicable law, the Plan, or this Order.

109. Cures. In accordance with the Plan, the Debtors or Post-Effective Date Debtors, as applicable, shall be responsible for paying any Cure Amounts associated with the contracts assumed by the Debtors and allocated to FWE IV pursuant to the FWE III Plan of Merger. Notwithstanding anything in the Plan Supplements (ECF No. 1394) with respect to the Schedule

of Assumed Contracts and Cure Amounts (or any subsequent schedules and notices with respect to assumed or assumed and assigned contracts and corresponding cure costs, including, without limitation, ECF Nos. 1395 and 1456) to the contrary, only the contracts to be assumed and allocated to FWE IV under the Plan of Merger shall be so assumed and allocated thereto.

129. XTO, RLI Insurance and Liberty. Neither the Plan nor this Order shall have any effect upon or in any manner alter or impair the rights of XTO Offshore, Inc., HHE Energy Company, and XH, LLC (collectively the **“Exxon/XTO Bond Entities”**), as the obligees, or RLI

Insurance Company (“**RLI**”) or Liberty Mutual Insurance Company (“**Liberty**”) as sureties (together, the “**XTO Sureties**”), as between the Exxon/XTO Bond Entities and XTO Sureties under (i) Performance Bond No. RLB0013981 (the “**RLB Bond**”) issued pursuant to the Purchase and Sale Agreement dated effective as of August 1, 2011 (“**Dynamic PSA**”) among Dynamic Offshore Resources, LLC, as principal, the Exxon/XTO Bond Entities as the obligees, and RLI as surety, or (ii) Performance Bond No. 022220643 (the “**Liberty Bond**”), among Fieldwood Energy LLC, as principal, XH, LLC, as obligee, and Liberty Mutual Insurance Company (“**Liberty Insurance**”), as surety, issued pursuant to the agreement pursuant to which Fieldwood Energy LLC acquired XH, LLC assets from Apache Corporation on September 30, 2013 (the “**Fieldwood Agreement**”).

130. The terms of the RLB Bond and the Liberty Bond (collectively, the “**Exxon/XTO Bonds**”) shall not be altered in any manner, and the rights of the Exxon/XTO Bond Entities and the XTO Sureties pursuant to the Exxon/XTO Bonds, Dynamic PSA, and Fieldwood Agreement, as applicable, and as between each other, shall be unaffected by the Plan and this Order.

131. Without limiting the generality of the foregoing, nothing in the Plan or this Order shall preclude the Exxon/XTO Bond Entities from giving any notice to, or making any demand upon, the principal on any of the Exxon/XTO Bonds to the extent required by the terms of any of the Exxon/XTO Bonds, the Dynamic PSA, or the Fieldwood Agreement.

132. Nothing in the Plan or Order shall be deemed to: (a) adjudicate or modify the rights between the Exxon/XTO Bond Entities and the XTO Sureties under the Exxon/XTO Bonds or under applicable law; (b) bar, impair, enjoin, release, alter, diminish or enlarge any of the rights or defenses of the XTO Sureties against any non-Debtors (other than with respect to any NewCo Entity or any Credit Bid Acquired Interests); or (c) constitute a waiver or release of any rights or

defenses that the XTO Sureties hold against any non-Debtor Parties (other than with respect to any NewCo Entity or any Credit Bid Acquired Interests).

133. BP. The terms of this paragraph shall apply to the BP Entities⁷ and the Executory Contracts identified on the Schedule of Assumed Contracts between any of the Debtors and any BP Entity (the “**BP Executory Contracts**”):

- i. This Order shall not be, and shall not be construed as, a determination of the cure amount or compensation, if any, required to satisfy the provisions of sections 365(b)(1)(A) and 365(b)(1)(B) of the Bankruptcy Code for the assumption of the BP Executory Contracts (the “**BP Cure Amount**”).
- ii. To the extent that a BP Executory Contract is assumed, assumed and assigned or assumed and allocated, such assumption or assumption and assignment or assumption and allocation shall result in the full release and satisfaction of only those Claims based on a default existing as of the Effective Date with respect to such BP Executory Contract. For the avoidance of doubt, the Plan and this Order shall not alter any of the terms under the BP Executory Contracts including, without limitation, any arbitration rights or any valid netting (either based on setoff or recoupment).
- iii. The assumption, assumption and assignment, or assumption and allocation of any BP Executory Contract shall not alter, impair or otherwise affect any of the parties’ respective rights and obligations under the BP Executory Contracts, including, without limitation, any valid netting (either based on setoff or recoupment) under the BP Executory Contracts or pursuant to applicable law (unless it is inconsistent with the applicable BP Executory Contract); and any rights for arbitration.
- iv. The bar date for the BP Entities to file a claim based on the rejection of any executory contracts or unexpired leases between the Debtors and the BP Entities shall be the later of: (a) forty-five (45) days after the filing and service of the notice of the Effective Date, or (b) forty-five (45) days after entry of any order rejecting such executory contract or unexpired lease with the BP Entities. Claims based on the rejection of any executory contracts or unexpired leases between the Debtors and the BP Entities shall be treated as a Class 6B General Unsecured Claim under the Plan.

⁷ The BP Entities include BP Exploration & Production Inc. and BP American Production Company, together with their successors and assigns.

134. The BP Entities have opted out of all third-party releases contained in the Plan and this Order.

(“**Ironshore Indemnity**” and, together with RLI, the “**BP Sureties**”), as surety; or (iii) Supplemental Bond No. SUR24000027 (the “**Ironshore Bond No. 2**”), among Fieldwood Energy Offshore LLC, as principal, BOEM, as obligee, and Inonshore Indemnity, as surety.

136. The terms of the Panaco/RLI Bond, Ironshore Bond No. 1, and Ironshore Bond No. 2 (the “**BP Bonds**”) shall not be altered in any manner, and the rights of the BP Entities and BP Sureties, as between each other, pursuant to the Panaco/RLI Bond, Ironshore Bond No. 1, and Ironshore Bond No. 2, as applicable, shall be unaffected by the Plan and this Order.

137. Without limiting the generality of the foregoing, nothing in the Plan or this Order shall preclude the BP Entities from giving any notice to, or making any demand upon, the principal on any of the BP Bonds to the extent required by the terms of any of the BP Bonds or any agreements relating thereto.

138. Nothing in the Plan or Order shall be deemed to: (a) adjudicate or modify the rights between the BP Entities and the BP Sureties under the BP Bonds or under applicable law; (b) bar, impair, enjoin, release, alter, diminish or enlarge any of the rights or defenses of the BP Sureties against any non-Debtors (other than with respect to any NewCo Entity or any Credit Bid Acquired

To the extent permitted under the VR 196 Bond and any related agreements, any proceeds of the VR 196 Bond that are received by FWE III, FWE III shall apply such proceeds to Northstar Offshore Group LLC’s share of costs and expenses associated with all plugging and abandonment and decommissioning obligations attributable to VR 196 in the event such costs and expenses are not paid by Northstar Offshore Group LLC or Sanare Energy Partners LLC.

140. Upon the abandonment of certain of the Debtors’ rights, title and interests in WD 121 (OCS-G 14893) and WD 122 (OCS-G 13645) (the “**WD 121/122 Leases**”, and such abandoned interests in such leases being the “**WD 121/122 Abandoned Interests**”), from and after the Effective Date and until the termination or expiration of such leases, the designated operator or its agent (the “**Designated Operator**”) of the WD 121/122 Leases will periodically determine the difference between (i) the revenues attributable to the WD 121/122 Abandoned Interests over the relevant period and (ii) any costs and expenses attributable to the WD 121/122 Abandoned Interests over the same relevant period (the “**WD 121 Net Cash Amount**”) and, to the extent such WD 121 Net Cash Amount is positive, such amount will be credited to a suspense account that will be applied exclusively to satisfy all costs and expenses related to the plugging and abandonment and decommissioning obligations attributable to the WD 121/122 Abandoned

Interests (“**WD 121/122 Suspense Account**”) and to the extent such WD 121 Net Cash Amount is negative, such amounts will be debited from the WD 121/122 Suspense Account. From and after the Effective Date, on a bi-annual basis, the Designated Operator will provide a written report to JX Nippon Oil Exploration (U.S.A.) Limited specifying the balance in the WD 121/122 Suspense Account, together with accounting data in support of such balance.

Notwithstanding anything to the contrary in the Plan, any Plan Supplement, or this Order, neither the Plan, Order, nor any of the transactions contemplated or effectuated under the Plan, shall amend or alter the terms of Bond Nos. B008837, B008838 and B008839 (collectively, the “**Nippon Bonds**”) issued by U.S. Specialty Insurance Company (“**USSIC**”) to JX Nippon Oil Exploration (U.S.A.) Limited (“**Nippon**”), as obligee, on which Fieldwood Energy Offshore, LLC is the principal. Neither the Plan, this Order, nor any of the transactions contemplated or effectuated under the Plan, is intended to alter or modify the rights of Nippon or USSIC under the Nippon Bonds, as between each other. Without limiting the generality of the foregoing, nothing in the Plan, any Plan Supplement or this Order shall preclude Nippon from giving any notice to, or making demand upon, the principal on any of the VR 196 Bond and Nippon Bonds to the extent required by the terms of any of the VR 196 Bond and Nippon Bonds.

142. Notwithstanding anything to the contrary contained in the Plan, any Plan Supplement, this Order or otherwise, with regard to any and all executory contracts between any of the Debtors and JX Nippon Oil Exploration (U.S.A.) Limited (“**Nippon**”) that are assumed under the Plan (the “**Nippon Agreements**”), Nippon’s rights are reserved with respect to any Cure Amount relating to the Nippon Agreements and the legal, equitable and contractual rights of the Debtors and Nippon under the Nippon Agreements are unaltered by the Plan, this Order, or any other Plan Documents or assignment, and nothing shall affect or otherwise impair valid common

law or contractual setoff or recoupments rights Nippon may possess. Any amounts owed under the Nippon Agreements and/or disputes thereunder will be resolved in the ordinary course of business including but not limited to resolution of the Cure Amount and for valid setoff or recoupment. Nippon has opted out of all third-party releases contained in the Plan, any Plan Supplement and this Order.

143. Japex. Upon the abandonment of the Debtors' rights, title and interests in WD 90 (OCS-G 1089), WD 103 (OCS-G 12360), Pipeline/ROW (SN 10068), Pipeline/ROW (SN 10069), the WD 103 F Platform located in WD Block 103, any oil and gas wells located on the WD 103-F Platform, and any associated pipelines, rights-of-way, or any other fixtures or infrastructure associated with any of the foregoing (collectively the "**WD 103-F Platform Interests**", and such abandoned interests being the "**WD 103-F Platform Abandoned Interests**"), from and after the Effective Date and until the termination or expiration of such interests, the designated operator or its agent (the "**Designated Operator**") of the WD 103-F Platform Abandoned Interests will periodically determine the difference between (i) the revenues attributable to the WD 103-F Platform Abandoned Interests over the relevant period and (ii) any costs and expenses attributable to the WD 103-F Platform Abandoned Interests over the same relevant period (the "**WD 103 Net Cash Amount**") and, to the extent such WD 103 Net Cash Amount is positive, such amount will be credited to a suspense account that will be applied exclusively to satisfy all costs and expenses related to the plugging and abandonment and decommissioning obligations attributable to the WD 103-F Platform Abandoned Interests ("**WD 103-F Platform Suspense Account**") and to the extent such WD 103 Net Cash Amount is negative, such amounts will be debited from the WD 103-F Platform Suspense Account. From and after the Effective Date, on a bi-annual basis, the Designated Operator will provide a written report to Japex (U.S.) Corp. specifying the balance in

the WD 103-F Platform Suspense Account, together with accounting data in support of such balance.

144. LLOG. The Debtors and LLOG Exploration Offshore LLC (“**LLOG**”) agree to adjourn the issues raised by LLOG in its objection to the Plan (ECF No. 1481) to a later date to be agreed by the parties. A hearing to consider the extent, validity, seniority and enforceability of LLOG’s secured claim in and to the overriding royalty interest in Green Canyon Block 201 (“**GC 201 ORRI**”) will be held by the Bankruptcy Court on July 8, 2021 at 12:30 p.m. (prevailing Central Time). Notwithstanding section 8.1(a) of the Plan, that certain Offshore Operating Agreement dated December 12, 2002 (as ratified and amended, the “**LLOG Operating Agreement**”) shall not be deemed rejected upon the occurrence of the Effective Date and the Debtors reserve the right to seek to assume the LLOG Operating Agreement to the extent that the Bankruptcy Court determines that LLOG holds a valid and enforceable lien in the GC 201 ORRI.

145. McMoRan, W&T, Merit, COPC, Cox Entities, Shell and Hess. Subject to the NewCo Carve Out, nothing contained in the Plan, Order, and related exhibits and associated transaction documents shall be deemed or construed to be a release or discharge of any liability or obligations of any third parties to McMoRan, Merit, W&T, COPC, the Cox Entities, Shell, and Hess, including with respect to decommissioning liabilities of Debtors’ predecessors and any other co-liable and/or jointly and severally liable parties with respect to Debtors’ assets. McMoRan’s, Merit’s, W&T’s, COPC’s, the Cox Entities’, Shell’s, and Hess’s claims and causes of action against any such third parties are hereby reserved. For the avoidance of doubt, McMoRan, W&T, Merit, COPC, the Cox Entities, Shell and/or Hess shall not be “Releasing Parties” under the Plan.

146. Shell. The Plan Documents shall not have any effect upon or in any manner alter or impair the rights of USSIC, Shell or other beneficiaries and obligees (as between each other) under Performance Bond No. B009344 (the “**Shell Bond**”), or any agreements relating thereto, among Fieldwood Energy Offshore, LLC, as principal, Shell as the obligee and USSIC as surety. For the avoidance of doubt, USSIC and Shell reserve all rights as between each other under the Shell Bond. Without limiting the generality of the foregoing, nothing in the Plan Documents shall preclude Shell from giving any notice to, or making demand upon, the principal on the Shell Bond to the extent required by the terms of the Shell Bond or any agreements relating thereto.

147. Cox. The terms of this paragraph shall apply to the Cox Entities and the Executory Contracts identified on the Schedule of Assumed Contracts between any of the Debtors and any Cox Entity (the “**Cox Assumed Contracts**”). The assumption, assumption and assignment, or

assumption and allocation of any Cox Assumed Contract shall not alter, impair or otherwise affect any of the parties' respective rights and obligations under the Cox Assumed Contracts, including, without limitation, any valid netting (either based on setoff or recoupment) under the Cox Assumed Contracts or pursuant to applicable law (unless inconsistent with the applicable Cox Assumed Contract); and any rights for arbitration. The bar date for the Cox Entities to file a claim based on the rejection of any executory contracts or unexpired leases between the Debtors and the Cox Entities shall be the later of: (a) forty-five (45) days after the filing and service of the notice of the Effective Date, or (b) forty-five (45) days after entry of any order rejecting such executory contract or unexpired lease with the Cox Entities.

148. Hess. To the extent Hess elects to assume the role of decommissioning party of the Abandoned Properties and any related facilities that were previously owned by Hess, including but not limited to, any wells, pipelines, or other structures (collectively, the “**Hess Abandoned Assets**”) prior to the expiration of the Transition Period (as defined in section 5.13 of the Plan), the Post-Effective Debtors shall promptly facilitate the safe and orderly transition of the Hess Abandoned Assets to Hess, and cooperate in good faith with Hess to ensure such safe and orderly transition, in compliance with applicable federal law; *provided, however*, that the Post-Effective Date Debtors, as applicable, shall not be required to conduct activities beyond the scope of the Transition Services and the Agreed Activities with respect to the Hess Abandoned Assets in connection with such election.

149. Governmental Approvals. Except as otherwise expressly provided for or contemplated in the Plan, the Plan Documents, or this Order, and except for any regulatory approvals that might be required by reason of the business conducted by the Post-Effective Date Debtors, FWE I, FWE IV, any FWE Additional Entity, or NewCo and its subsidiaries, this Order

shall constitute all approvals and consents required, if any, by the laws, rules, or regulations of any state or any other governmental authority with respect to the implementation or consummation of the Plan and any documents, instruments, or agreements, and any amendments or modifications thereto, and any other acts referred to in or contemplated by the Plan, the Plan Documents, this Order, and the Disclosure Statement, and any documents, instruments, or agreements, and any amendments or modifications thereto. Each federal, state, commonwealth, local, foreign, or other governmental agency is directed and authorized to accept the validity of (a) any and all documents, trust agreements, mortgages, and instruments, and (b) all actions of the Debtors that are necessary or appropriate to effectuate, implement, or consummate the transactions contemplated by the Plan, the Plan Documents, or this Order, and the agreements created or contemplated by the Plan or this Order, without payment of any recording tax, stamp tax, transfer tax, or similar tax imposed by state or local law.

150. Reservation of Rights of any Governmental Unit, including the United States.

Nothing in this Order or the Plan Documents discharges, releases, precludes, or enjoins: (i) any liability to a Governmental Unit that is not a Claim; (ii) only as it relates to Governmental Units, any liability against the Debtors to maintain, monitor, plug and abandon and/or decommission offshore infrastructure as required by law, (iii) any Claim of a Governmental Unit arising on or after the Confirmation Date; (iv) any liability of any entity or person under police or regulatory statutes or regulations to a Governmental Unit as the owner or operator of property or rights to property that such entity owns or operates after the Confirmation Date; and (v) any liability to a Governmental Unit on the part of any non-Debtor (the “**Government Reservations**”). Nor shall anything in the Plan Documents enjoin or otherwise bar a Governmental Unit from asserting or enforcing, outside the Bankruptcy Court, any liability described in the first sentence of this

paragraph consistent with its terms, and nothing in the Plan Documents divests any tribunal of any jurisdiction it may have under police or regulatory law to interpret the Plan Documents or to adjudicate any defense asserted under the Plan Documents. Notwithstanding anything to the contrary in Plan Documents, nothing shall affect any of the United States' setoff and recoupment rights, or any of the Debtors', Post-Effective Date Debtors', and/or any successor(s) and assign(s) defenses thereto.

151. Nothing in this Order shall alter, waive, or release the Debtors obligations to comply with laws reasonably designed to protect the public health or safety from the hazards to the health, safety, or the environment, including the obligation to perform any decommissioning.

152. Notwithstanding any provision to the contrary in the Plan Documents, no sale, assignment, and/or transfer of any interest in contracts, leases, covenants, operating rights agreements, rights-of-use and easement, and rights-of-way or other interests or agreements with the federal government involving federal land or minerals in effect on or after the Confirmation Date (collectively, the "**Federal Leases**") may take place pursuant to the Plan Documents absent the consent of the United States, including any of its components, as provided for in applicable non-bankruptcy laws and regulations.

153. Notwithstanding any provision to the contrary in the Plan Documents, the United States will retain and have the right to audit and/or perform any compliance review and, if appropriate, collect from the Debtors, Post-Effective Date Debtors, and/or any successor(s) and assign(s) in full any additional monies owed by the Debtors with respect to any assumed Federal Leases and those rights shall not be adversely affected by these bankruptcy proceedings. Such rights shall be preserved in full as if these Chapter 11 Cases had not occurred. Furthermore, nothing in the Plan Documents shall be interpreted to set Cure Amounts or require the United

States to novate, approve or consent to any sale, assignment, and/or transfer of any interests in the Federal Leases except pursuant to existing regulatory requirements and applicable law. The Debtors, Post-Effective Date Debtors, and any successor(s) and assign(s), will retain all defenses and/or rights, other than defenses and/or rights arising from these Chapter 11 Cases, to challenge any such determination; provided, however, that any such challenge, including any challenge associated with these bankruptcy cases, must be raised in the United States' administrative review process leading to a final agency determination by the Department of the Interior. The audit and/or compliance review period shall remain open for the full statute of limitations period established by the Federal Oil and Gas Royalty Simplification and Fairness Act of 1996, 30 U.S.C. § 1702, et seq.

154. For the avoidance of doubt, only as it relates to the United States, nothing in the Plan Documents releases the Debtors or Post-Effective Date Debtors from any reclamation, plugging and abandonment, or other operational requirement under applicable federal non-bankruptcy law with respect to the Federal Leases or addresses or otherwise affects any decommissioning obligations and financial assurance requirements under the Federal Leases, as determined by the United States, that must be met by the Debtors, Post-Effective Date Debtors, or their successors and assigns on the Federal Leases going forward; *provided, however*, that upon the Effective Date, neither the Credit Bid Purchasers nor any other NewCo Entity shall have any liability to a Governmental Unit or any other third party for Federal Leases, including civil penalties, response costs, decommissioning or any other obligations including those under the Government Settlements, except for those obligations assumed under the Credit Bid Purchase Agreement by Credit Bid Purchasers in connection with the Credit Bid Acquired Interests upon

the consent by the Government Unit of the assignment of such Federal Leases in favor of the Credit Bid Purchaser.

155. Effectiveness of All Actions. All actions contemplated by the Plan, including all actions in connection with the Credit Bid Purchase Agreement, the NewCo Organizational Documents, the GUC Warrant Agreement, New Money Warrant Agreement, SLTL Tranche 1 Warrant Agreement, SLTL Tranche 2 Warrant Agreement, the Exit Facility Documents are hereby effective and authorized to be taken on, prior to, or after the Effective Date, as applicable, under this Order, without further application to, or order of the Bankruptcy Court, or further action by the respective officers, directors, managers, members, or equity holders of the Debtors or the Post-Effective Date Debtors and with the effect that such actions had been deemed taken by unanimous action of such officers, directors, managers, members, or equity holders.

156. Valid and Binding. All documents necessary to implement the Plan (including, without limitation, the Credit Bid Purchase Agreement) and all other relevant and necessary documents have been negotiated in good faith and at arm's length and shall, upon completion of documentation and execution, be valid, binding, and enforceable agreements.

157. Injunction Against Interference with Plan. Except as otherwise provided in the Plan or this Order, upon entry of this Order, all holders of Claims or Interests and other parties in interest, along with their respective present and former affiliates, employees, agents, officers, directors, and principals, shall be enjoined from taking any action to interfere with the implementation or consummation of the Plan.

158. Notice of Entry of Confirmation Order. On or before the fourteenth (14th) day following the date of entry of this Order, the Debtors shall serve notice of entry of this Order pursuant to Bankruptcy Rules 2002(f)(7), 2002(k), and 3020(c) on all creditors and interest

holders, the U.S. Trustee, and other parties in interest, by causing notice of entry of this Order (the “**Notice of Confirmation**”), to be delivered to such parties by first-class mail, postage prepaid. The Debtors shall also post the Notice of Confirmation on the website maintained by the Solicitation Agent, at <https://cases.primeclerk.com/fieldwoodenergy/> (the “**Case Website**”). 159. Notice of Effective Date. As soon as practicable after the occurrence of the Effective Date, the Debtors shall serve notice of the Effective Date on all creditors and interest holders, the U.S. Trustee, and other parties in interest, by causing notice of the Effective Date to be delivered to such parties by first-class mail, postage prepaid. The Debtors shall also post the Notice of Effective Date on the Case Website. The Notice of Effective Date shall include notice of the deadline for (a) filing proofs of claim arising out of rejection of executory contracts upon the Effective Date, and (b) filing administrative expense claims.

160. Retention of Jurisdiction. Pursuant to sections 105(a) and 1142 of the Bankruptcy Code, except as set forth in paragraph 150 of this Order, this Bankruptcy Court shall retain exclusive jurisdiction with respect to all matters arising from or related to the Chapter 11 Cases, the Plan, and the implementation of this Order, including, without limitation, those matters set forth in Section 11 of the Plan.

161. Payment of Statutory Fees. On the Effective Date and thereafter as may be required, the Debtors or the Post-Effective Date Debtors, as applicable, shall pay all fees incurred pursuant to § 1930 of title 28 of the United States Code, together with interest, if any, pursuant to § 3717 of title 31 of the United States Code for each Debtor’s case, or until such time as a final decree is entered closing a particular Debtor’s case, a Final Order converting such Debtor’s case

to a case under chapter 7 of the Bankruptcy Code is entered or a Final Order dismissing such Debtor's case is entered.

162. Documents, Mortgages, and Instruments. Each federal, state, commonwealth, local, foreign, or other governmental agency is hereby authorized to accept any and all documents, mortgages, and instruments necessary or appropriate to effectuate, implement or consummate the transactions contemplated by the Plan.

163. Activities in Anticipation of the Effective Date. The Debtors are hereby authorized and empowered to take all necessary steps, and pay all related expenses, in anticipation of the Effective Date, including, without limitation, effectuating the transactions contemplated by the Plan and this Order.

164. Substantial Consummation. On the Effective Date, the Plan shall be deemed to be substantially consummated pursuant to sections 1101 and 1127(b) of the Bankruptcy Code.

165. Severability. This Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may be amended in accordance with Section 12.5 of the Plan, is (a) valid and enforceable pursuant to its terms, (b) integral to the Plan and may not be deleted or amended other than in accordance with Section 12.5 of the Plan, and (c) non-severable and mutually dependent.

166. Immediate Binding Effect. To the fullest extent permitted under the Bankruptcy Code and other applicable nonbankruptcy law on or after entry of this Order and subject to the occurrence of the Effective Date, the terms of the Plan (including the exhibits and schedules thereto and all documents and agreements executed pursuant thereto or in connection therewith), the Plan Supplements, and this Order shall be immediately effective and enforceable and shall bind the Post-Effective Date Debtors, the Released Parties, the Exculpated Parties, all holders of Claims

and Interests (irrespective of whether such Claims or Interests are impaired under the Plan or whether the holders of such Claims or Interests accepted or are deemed to have accepted the Plan), any other person giving, acquiring, or receiving property under the Plan, any and all non-Debtor parties to executory contracts and unexpired leases with any of the Debtors, any other party in interest in the Chapter 11 Cases, and the respective heirs, executors, administrators, successors, or assigns, if any, of any of the foregoing. On the Effective Date, all settlements, compromises, releases (including, without limitation, the releases set forth in Sections 10.7 of the Plan), waivers, discharges, exculpations, and injunctions set forth in the Plan shall be effective and binding on Persons who may have had standing to assert any settled, compromised, released, waived, discharged, exculpated, or enjoined Causes of Action after the Effective Date.

167. The Exculpation set forth in section 10.8 of the Plan is hereby approved entirely with respect to each of the Exculpated Parties pursuant to sections 105, 1123(b)(3), and 1123(b)(6) of the Bankruptcy Code. The scope of the Exculpation, in respect of the time period or actions covered, shall be construed in accordance with *In re Pacific Lumber Co.*, 584 F.3d 229 (5th Cir. 2009). The Bankruptcy Court retains exclusive jurisdiction to determine the scope of the Exculpation.

168. Conflicts Between Order and the Plan. To the extent of any inconsistency between the provisions of the Plan and this Order, the terms and provisions contained in this Order shall govern. The provisions of this Order are integrated with each other and are nonseverable and mutually dependent unless expressly stated by further order of this Bankruptcy Court.
